

Our direct experiences

(15 February 2026)

(Please read them all.)

Almighty or Allah told Me many times “Angie. The satanic has laid the lies to All The 3 Men and has controlled All The 3 Men to believe their lies. So, All The 3 Men still have not figured the truths out “Angie has told Us The Truths and The Solution!””

Almighty also told Me “Angie, I Myself teach the satanic how to control All The 3 Men by themselves because “If You do not teach us to control our targets to control, we will kill Angie, Her Parents, and Her Group!” For that reason, the satanic has thought “We are The God!” and has laughed at Us!”

I do not know much about how to control their targets to control. I knew only if the satanic wants to control his targets to control by himself, he needs to sit and pay his all concentrated meditations to control his targets to control.

But I would like you all to know My 3 direct experiences of being controlled;

1) Could you notice: Because from 2000 to 2012, they did not really want Me to know Who My Real Soulmate is, so they ordered Almighty to control Me to believe their lies about My Real Soulmate, but not to do anything to find My Real Soulmate along with control Me to only wait for, so from 2000 to 2012, I believed their lies about My Real Soulmate without any considering and did not do anything to find My Real Soulmate but just listened to songs and just waited for a day when My Real Soulmate would come to get Me to fly?

2) Before 2025, I periodically heard “Will has heard since He was A Boy “When You grow up, You must test each human before”, but because they ordered Almighty to control Me not to think anything about the information, so I Who really know that this is not a test but Almighty wants to teach the good to solve a problem by the right solution, had never thought why Prince William has heard like that until they let Me think under the limited time in 2025.

After I had figured The Reason why Prince William has heard like that out, I heard the voice of prostitute queen Sirikit “อย่าให้ 3 คนนั้นคิดนะ! (เดี๋ยวคิดออกเหมือนเด็ก)” or can be translated in The English Language “Do not let All The 3 Men think! (If we let Them think, They are soon figuring The Truths out)”

And

3) I figured the truths about the pronunciations “Waste to get There” from the song “Heal the World” sung by Michael Jackson long time ago. But recently when I chose to explain this truth again, they controlled Me to forget the pronunciations “Waste to get There” to tell you that the pronunciations are “Waits to get There!”

Do not consider only My 3 direct experiences and do not look for anything so far because you all have your own direct experiences too;

Could you notice yourselves: Because from 2000 to Christmas Day 2024, they ordered Almighty to control you not to listen to and consider any truths from Me, so although the white has an ability to reason and I have Many Reasonable Reasons to explain when Jesus and The Judgement will come, you all never listened to and never considered My Reasonable Reasons because of the control? 😊😊😊😊😊😊😊😊

Notes

Once again: Almighty has told Me many, many times “Angie, because the time You send Your Mind to tell The Truths to All The 3 Men is certain, so it is easy for them to control All The 3 Men to just “hear Your Voice” but “not to intentionally listen to and carefully consider The Truths from You”!”

Therefore, if My All English People including My All Shining Stars in the darkest nights, My All Alliances, and I unite Ourselves altogether to solve the problem by The Solution Which I told you in the topics “No wake up and how to make wake up call” (2 February 2026) and “In addition to “No wake up and how to make wake up call”” (7 February 2026), Our Days are coming true 😊😊😊😊😊😊😊😊.
