

Prince William, why do You think all the voice You have heard comes from Daddy Almighty?
(21 April 2024)

Will, I am not sure, but Daddy Almighty told Me “Angie, You decided to suicide in 2002 because You could not stand violent torments to suicide anymore. But pimp king Bhumibol by advising from Ratchaneewan Ad-harn ordered Me to send his thoughts to fool Will “Will, Angie decided to suicide because Angie truly loves Her soulmate who is a Thai man, and does not really want to separate from him!” So, Will felt so very much anguished and decided to start relationship with Kate. Will knew “Angie is My Soulmate” later after Will had started relationship with Kate and Will had been fooled until He strongly believed “This is a test and I need to spend My time with a harlot before!””

Will, if it is the truths, it shows that You used to be fooled by the voice.

And Will, Daddy Almighty has told Me “Angie. Pimp king Bhumibol and the satanic Chakri dynasty by advising from Ratchaneewan Ad-harn have ordered Me to send their thoughts to fool Will, Daddy Charles, Harry, The British Monarchy, all ethical royal families, and many foreign people into believing their lies and into doing as they want. But all targets make up their minds to believe the lies and to do as the liars want because the lies seem to have reasonable reasons to support. Angie. Pimp king Bhumibol and the satanic Chakri dynasty just ordered Me to send their thoughts to lie to their targets by A Polite and Pleasant Voice. Just only these, but have made their targets strongly believed “The Father Almighty is telling the truths to me!”

Will, I am not sure but Daddy Almighty told Me “Angie. Will asked Me after He was ordered to drink liquor with Kate “I detest drinking liquor. Why Daddy Almighty let Me drink liquor?” Then, the voice replied “Because You are tested that will Your mind be changed to love drinking liquor” And You believed that voice!

Will, I would like to emphasize the truths again. Daddy Almighty created You and Me by His Soul, Himself, and His Love. We have The Soul of Daddy Almighty in Our Soul. Why does not Daddy Almighty know Us? Why does Daddy Almighty need to test Us?

Will. My Dad, My Mom, King Charles, Princess Diana, and Prince Harry are gods and goddesses whom Daddy Almighty chose to help Us to do The Missions. They were chosen by Daddy Almighty. Why does not Daddy Almighty know them? Why does Daddy Almighty need to test them?

Will, Daddy Almighty knows everything: in the past, at present, and in the future. Daddy Almighty knows each man even in the past, at present, and in the future. Why does Daddy Almighty need to test each man?

And Will, if You truly have faith in Daddy Almighty, why do You need to let the satans and all evil people commit the crimes and the felonies and offend the sins and the mortal sins to destroy Our World before? Why do not You believe Words of Daddy Almighty after We are at the safest place?

So, Will, why do You believe the reason why You could not avoid drinking liquor? And why do You think all the voice You have heard comes from Daddy Almighty?

So that, Will, when will You believe and follow Me who never lie to anyone?
