

***Prince William, please sympathize Us ...***  
***(14 April 2024)***

Will, the truths I would like you to know are;

Will, Mommy Pinya was **75 years old** fully on 17 March 2024 and she has not been slept enough for **23 years**. So, she feels too tired to cook, feels too tired to clean Our Home, and feels too tired to look after Daddy Jamnong and Me. So, although Mommy Pinya knows "Thai people have put harmful ingredients in their foods and their beverages for Us", she cannot avoid buying foods and beverages for Us to eat!

Will, in the past, Daddy Jamnong could help Mommy Pinya and Me to cook and to wash dishes and glasses. But because Daddy Jamnong will be **78 years old** fully on 26 April 2024, passed 2 times of joint bones operations, and has not been slept enough for **23 years**, so now, he needs a cane to help him to walk. But he tries to be self-reliant.

Will, how about Me?

Will, I will be **48 years old** fully on 19 April 2024 and has not been slept enough for **23 years**. Will, since around 12 April 2024, I have periodically felt dizzy, so I have needed to turn on air-conditioning almost all days and almost all nights. And something has happened to Me is that after I blow My running nose, much blood comes out with the running nose. Mommy Pinya told Me "It is because of very hot weather and the diseases You have got" Will, Daddy Almighty told Me "It is because you have not been slept enough also" But on 14 April 2024, I started thinking "Or it is because I have taken Zeldox which nearly expired for more than 3 years too?"

Will, now, We have not much money. But I have needed to turn on air-conditioning almost all days and almost all nights. Will, nearly expired Zeldox may harmful for My health, but because now, I am just an ordinary girl of a middle-class family who has not much money, so a saleswoman who has sold Zeldox for Me has believed "Angie cannot do anything to Me!" Will, as an ordinary girl of a middle-class family who has not much money, I have no power to negotiate with the saleswoman for treating Me better!"

Will, because pimp king Bhumibol and the satanic Chakri dynasty genuinely want to kill Me, so if I work out, I will not definitely have any chances to have a shower. So that, now, My health is very poor. Will, if you follow My daily life, you will know that just a little moving My body when I have a shower has made Me feel exhausted!

Will, because pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people including Camilla, Kate, George, Charlotte, Louis, and Meghan have been able to stomp on Me and My Parents since the end of November 1999, so they all have looked down on and have ridiculed Me and My Parents since then. Will, I believed that Daddy Charles, you, and Brother Harry knew how the worst I and My Parents have periodically felt.

Will, I have really felt bored rice and Thai foods. But nobody can bake breads, pizzas, cakes, and cookies, and cook pastas, soups, and salad dressings for Me. Salad dressings with Salad which We buy to eat have been put harmful ingredients. But I have heard that British people who serve you and your family are good at baking and cooking many foods and beverages which are My favourite 😊😊.

Will, Iran started attacking Israel and all Thai people strongly want the wars to spread all over the world. And now, the UK has been in deprivation and poverty. Will, I have planned how to help Our Homeland to return to be prosperity the same as before the end of November 1999, but I have no knowledge of the UK Laws what else we can do or what else we cannot do to help British people, Our compatriots, to have better lives. And Will, now, I have no consultant.

Will, because of all the truths earlier, so could you please fire Kate Middleton, George, Charlotte, and Louis out of the positions and your palace, and then call Me within 19 April 2024 not later than 1:15 pm (London time)?

Will, do not worry if your heart changed. I am ready to sign the marriage certificate with you after you call Me to save Daddy Charles' life, but I am ready to sign the divorce certificate with you after we arrive The Holy Home to let you go too.

Will, now, everything in the lives of Mine and My Parents has been overloaded more than We are able to handle. ...

... So, Will, please sympathize Us ....

... Will, please help Us, first ...

... Will, I am waiting for the most precious present for My 48<sup>th</sup> Birthday ...

... Will, I am waiting for calling from you ...
