

Principles of tricky Thai liars to lie to Christians and Muslims who are strong-believers

(The completed version of 5 January 2024)

I never lie to anyone, so I did not know how to lie to other people. But since around the middle of 2023, our God has gradually told Me 4 of the principles of tricky Thai liars to lie to the strong-believers. Although thinking of how the tricky Thai liars lie to the strong-believers makes Me headache, let Me tell you 4 of the principles of the tricky Thai liars to lie to the strong-believers;

1) A lie can ***go along with or match*** a belief of their targets.

2) They can reason ***a reasonable reason*** for the lie and the reasonable reason must be agreed and/or accepted by their targets.

An example is that one of their lies is “You have to wait for for “many years””. Reasonable reasons for their lie which Christians and Muslims agreed and/or accepted are “This is a test. We need to wait for until all sinners are tested completely to help Jesus to judge the living and the dead. As everything ***is written in The Bible and Qur’an!***”

3) The lie must be “launched” ***by*** a person (or people) whom their targets believe and/or trust.

An example is that pimp king Bhumibol and the satanic Chakri dynasty (by advising from Ratchaneewan Ad-harn) have ordered ***our God*** to send their thoughts to lie to their targets. But our God told Me “When Christians and Muslims hear My Voice that has only a sound in the air, they suddenly believe “This is The Voice from The God, so The Voice must tell the truths!”

And

4) The lie must be “launched” ***by*** a person (or people) whom their targets believe that he (or she, or they) is nice and/or reliable and/or trustworthy.

An example is that did you see what happened when the words of pimp king Bhumibol ***whose image is the best*** were sent to tell Queen Elizabeth and The British Monarchy by Barack Obama in 2013 “This is a test. And Jesus will come to judge the living and the dead in the end”?

Another example is that pimp king Bhumibol and the satanic Chakri dynasty (by advising from Ratchaneewan Ad-harn) agreed to help some foreign people to become ***superstars*** and let the superstars tell many truths by many equivocated pronunciations in their songs or movies. So, foreign people who are their fans or who have followed their works believe “Our idol continue telling the truths”. However, the superstars are assigned to ***tell the lies*** at every court of law in the end.

Other examples are Mariah Carey who became a superstar before the end of November 1999 and the songs “Hero” and “All I Want For Christmas Is You” and Diana Ross who became a superstar before the end of November 1999 and the song “If We Hold On Together”

Could you notice that they apply *knowledge of psychology* to their tricks?

Other tricks which the tricky Thai lairs apply *the knowledge of psychology* to the tricks to fool the strong-believers;

1) Lie the lie to their all targets who are in *the same group* because the targets who are in the same group talk to and consult one another in the group. And because their targets are the strong-believers, so the greater the number of the strong-believers who heard the lies in the group, the strong-believers in the group will believe the lies effortlessly because *“We all heard “the same” that are our beliefs and supposed by our religious scriptures!”*

2) Use an equivocated word or an equivocated sentence or a word or a sentence which *stimulates a curiosity to know* of their targets.

An Example is that pimp king Bhumibol and the satanic Chakri dynasty (by advising from Ratchaneewan Ad-harn) have used the sentence “Just wait and see what will happen” and/or “Just wait and see what they will do” to stimulate a curiosity to know of their targets to tempt their targets into waiting for.

Another example is that they let Me tell the truth when Jesus will come to judge the living and the dead because the truth I have known is different from the lie they laid to their targets that are in a large group. Because of that, their targets are curious to know who is right, so their targets are tempted into waiting for.

3) Use an equivocated word or an equivocated sentence which makes their targets *doubt* and cannot find the last answer.

An example is that pimp king Bhumibol and the satanic Chakri dynasty (by advising from Ratchaneewan Ad-harn) have used the word and the phrases “long” “so long” “so far” and “donkey’s years” to slyly describe how many years Christians and Muslims have to wait for. And because the word and the phrases do not accurately indicate how many years Christians and Muslims have to wait for, so pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people can tempt the strong-believers into waiting for by prolonging the time to wait for continually.

4) Plan **“Multiple Overlapping Plans to fool”**

2 of the examples are;

4.1) While I was being fooled “The (first) man is Your Soulmate”, pimp king Bhumibol and the satanic Chakri dynasty (by advising from Ratchaneewan Ad-harn) told Me some qualifications of the second man whom they would lie to Me later “He is Your Real Soulmate”. Therefore, after I had found “The first man is not My Soulmate” and I had been reminded of the qualifications of the second man which I heard before by pimp king Bhumibol and the satanic Chakri dynasty, I suddenly believed “The second man must be My Real Soulmate surely!”

4.2) At the beginning, pimp king Bhumibol and the satanic Chakri dynasty (by advising from Ratchaneewan Ad-harn) laid the lies to Me. However, while they were lying to Me, they let the strong-believers know many truths, but laid the lie “Jesus will come to judge the living and the dead in the end” or “Repayment Day will come in the end”. As a result, when I tell the truths I have known to the strong-believers (I have known when will be the end of the world in which Jesus will come to judge the living and the dead since I was 7 or maybe 8 years old. I started to know the truths of all Thai people since I was a senior student at Thammasat University. And I started to know the truths of pimp king Bhumibol and the satanic Chakri dynasty in 2013), the strong-believers believe “Kay knows nothing. But we knew the truths before Kay. So, Kay is not creditable!” and/or “Kay is fooled!” ...

... Did you understand why “the voice” has usually told the lies to Me, but has usually told the truths to the strong-believers? And why they never let anyone talk the truths to Me?

5) Tell all the truths to their targets **before** lie the lie lastly. Because after their targets found that everything happens according to the words (which are the truths), their targets will strongly believe that the next words must be the truths again surely.

An example is that at the origin, pimp king Bhumibol and the satanic Chakri dynasty (by advising from Ratchaneewan Ad-harn) allowed our God to tell good Christians the truths what else will happen in order. But pimp king Bhumibol and the satanic Chakri dynasty (by advising from Ratchaneewan Ad-harn) ordered our God to send their thoughts to lie to the good Christians “Eventually, Jesus will come to judge the living and the dead” to tempt the strong-believers into waiting for Jesus and The Judgement.

6) They use My **natures** that **will not be definitely** changed such as so young soul, fearless, and honest, and a reasonable lie “Kay has to prove Herself before” to **lie to** the strong-believers to continual wait for, with the purposes of **killing** Me, and **laughing at** our God and us “If Kay cannot be changed, the strong-believers will let Her die!” and “Although you all will wait for until you all die, Kay will not be definitely changed!”

Could you notice yourselves why you all let Me, My Parents, and My Group in Thailand?

It is because I am fearless even though I am left among drug sellers, drug addicts, and wicked people who all are ready to kill Me. And I am still alive even though I have been severely tormented since 1990. So, although since 2000, My feelings have been hurt, My heart has been bruised, and My hopes have been broken countless times and I tried to suicide twice, the strong-believers still do nothing to save My life, still let Me lose My hope, and still leave Me, My Parents, and My Group in Thailand. (Or My natures are the worst? Or the violent torments are awards for being “the best”? If “the best” must be severely tormented for donkey’s years like these, why must be “the best”?)

7) They have periodically allowed our God to **convince** their targets “You can pass the test” **to tempt their targets into waiting for** but they have done everything to **convince** Me “You will not definitely survive” **to tempt Me into going for suiciding** again and again.

Did you understand why the strong-believers have periodically been “insomnia” since 2000 but why I have been provoked, have been under violent torments, and have not been slept enough every day since 2000, and why My hopes have been broken again and again since 2000 too?

8) They have tempted their targets into believing “I cannot do anything apart from their orders” by ordering and/or controlling their targets **to do or not to do many things as their orders frequently** until their targets strongly believed as they want. So, though their targets **never** try **their best** to do the right by breaking their orders, their targets strongly believed “We cannot break their orders surely!”

An example is Prince William who has been ordered and/or has been controlled to do many things as the mind of Kate many times a day for around 24 years. So, although since 2000, Prince William tried to talk the truths to Me only 2 times, but 2 times when he **did not try doing his best** to do the right and he could not succeed make him strongly believe “I cannot do anything!” and make him give up the fight!

Did you know why they laid to the strong-believers at the origin “This is a test. While everyone is tested, you have to follow all orders before” to see the strong-believers especially The Son and foreign people who were gods sent by our God to do The Missions, automatically follow an order after they hear the order for around 24 years? ...

... have you ever thought pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people do not want anyone to expose their felonies, their crimes, and their plans, but why I can tell the truths of them and their plans (which is one of My Missions) by sending My mind and/or posting the truths on My website continuously? ...

... And did you know why they never let any strong-believers who came to see Me approach and/or talk anything to Me?

9) They use knowledge of psychology to **stimulate** their targets to wait for. 2 of the examples are;

9.1) A trick to stimulate My Real Soulmate to wait for is pronunciations from the song "Goodbye Girl" sung by Rumer: "I **can** wait **forever** helping You to see that I was man for You and You for me!"

Anyway, our God told Me "Prince William has waited for to **prove** his true love" but our God did not tell Me "True love for Kate, for Rose, or for Me"

9.2) A trick to stimulate the strong-believers to wait for is **promises** to give something better a day in the future such as "In the end, you will be rewarded" or "You will be rewarded in Heaven"

And

10) They use knowledge of psychology to stimulate their targets to **want to win the opposite**.

An example is that they have used the words to tempt the strong-believers into thinking "Soon, Jesus is coming to judge people who torment us. Jesus will not let the wicked to be free!" Or "Allah is the most judge. He will not definitely let people who offend mortal sins to be free. Everything disastrous and unjudged is repaid!"

Refer to the principles and the tricks earlier, if foreign police officers and foreign detectives start investigating and gathering evidences while I, My Parents, and My Group are being detained in Thailand, I would like to warn you all "You knew how excellence of being tricky liars of all Thai people are. So, beware yourselves of **their multiple overlapping plans** and **their tricks**. Could you all notice how their multiple overlapping plans and their tricks work to tempt you all into waiting for around **24 years**? **The best way** for you is that begin to help Me, My Parents, and My Group to go out of Thailand to fly to The Holy Home with The Son **before** investigating, gathering evidences, and suing them!"

Last, ***I would like to question you again: If Jesus would come to judge the living and the dead in the current millennium, why do not pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people stop but prepare many things for alibiing and blackening Queen Elizabeth, King Charles, Prince William, Prince Harry, The British Monarchy, foreign royal families, foreign people, and foreign countries? ...***

... If you ever heard "An action speaks louder than words", you will figure out why they have ordered and/or have controlled ethical members of The British Monarchy, ethical members of the innocent foreign royal families, and the innocent foreign people to do many deeds oppose to the natures and the real mind of each foreign person since the beginning!

.....
