

Psychology

(9 December 2024)

I recently told you ...

... “When Christmas Day 2024 comes;

(1) The Father Almighty or another name is Allah is not following orders of pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, all evil foreign people, and all foreign people who work the plan with them anymore **to let everyone do the right.**

(2) They are being **the same as** their orders.

And

(3) The story is going on **the same as** the lies of pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family which they have used **The Voice of The Father to lie to** Prince William, believers, and other foreign people **because The Father just says to make it happen as He wants”**

Whereas, if you follow My Mind everyday, you will notice that **occasionally** I am not sure that the truths I told you earlier are the future.

Why?

It is because **pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, and all Thai people have used process of “psychology” to Me since the start;**

As the pimp kings, the prostitute queens, and the satanic dynasty of Thailand who all are also the big bosses of a big drug-selling gang in Thailand, they **need to have** knowledge of “psychology” to “administrate”, right? And I told you many times:

(1) “The drug-selling gang of pimp king Bhumibol and the satanic Chakri dynasty is the gang of Thai soldiers”

(2) “Although Ratchaneewan Ad-harn and Pongthep Ad-harn are doctors, the drug-selling gang of Ratchaneewan Ad-harn and Ad-harn family is the gang of Thai police officers”

And

(3) “There are judges, doctors, nurses, politicians, professors, teachers, psychiatrists, and psychologists in their gangs”

Thus, as the soldiers, the doctors, the police officers, the politicians, the judges, the professors, the teachers, the nurses, the psychiatrists, and the psychologists, they **need to have** knowledge of “psychology”, right?

Because **they all have much knowledge of “psychology”**, so they **do not** let My Parents and foreign people who want to talk the truths to Me talk any truths to Me. So that, I **do not** have anyone to talk the truths to and to consult. They just let The Father told Me before 2005 **only once** “พอปล่อยแล้ว เป็นคนดีของชาติเลยนะ” or can be translated in the English language “After The Father will have let everyone to be free, you will be a statewoman”. As a result, **I did not have enough information**. And before October 2024, something I heard **many times** such as “In the end, Angie will know all the truths” and “We need to let Will and foreign people know “We are fooled into waiting for” before”. So, **each 25 years** was the period of the time when I knew the truths **only** “The Father has followed their orders because they have conditioned The Father to kill Me, My Parents, and My Group if everything in the world is not as their thoughts, and if The Father is not under their orders!” ...

... I actually believed that Christians who have strongly believed “We must be tested” **since they were toddlers** and Muslims who have waited for “The Repayment Day” **since they were toddlers**, understood My conditions 😊😊.

I would like to underline the truths again: I believed that The Father is stopping following their orders and the story is going on as I have told you in many topics on My website since 3 October 2024 because **before October 2024, The Father told Me many times “I do not strongly want them to succeed in their alibis!” I believed that The Father told Me the truth because I know One of His Main Reasons why He did not let Me start My New Life abroad after I had just graduated bachelor degree in 1997** 😊😊.

Once again: They have used “this process of psychology” to Me because they strongly want Me not to have full of confidence that what else is happening when Christmas Day 2024 comes **so as to lie to** the believers and the other foreign people including judges and juries at every court of law “After Christmas Day 2024 had come, we did not fast let Angie, Her Parents, and Her Group fly with Prince William, Prince Harry, and The Soulmate of Prince Harry to the UK because some groups who really want to blacken us still controlled us not to let Them go. You never know but we knew that we told the truths in that after Christmas Day 2024 came, we have still heard the voice that have still ordered us to do many things!”

Because of their **alibis** earlier, so after Christmas Day 2024, the pimp kings of Thailand, the satanic dynasty of Thailand, all Thai people, all evil foreign people, and many foreign people who work the plan with them **are not** stopping doing wickedness **so as to help one another to lie to** the believers and the other foreign people including judges and juries at every court of law “We have still heard their orders!”

Once again: After The Father will have told all truths to everyone, if they still alibi by lying to the believers and the other foreign people especially judges and juries at every court of law, they will not be able to avoid lying “Prince William of The British Monarchy is not The Real Son of The God and The Real Soulmate of Angie. Hence, Angie, Her Parents, and Her Group are with a hazardous group in a dangerous place. Thus, The God still has not told any truths to anyone!”

And once again: They really knew that their victims who are Muslims will not definitely surrender to be severely tormented for free. The Muslims strongly want the felons to be punished. And they really knew what Sha-re-ah Law is. Therefore, they need scapegoats to be punished instead of them. And I told you many times “Who else is their scapegoats for their plans”.

Did you understand why they have used “this process of psychology” to Me?

...

Note: Before 2000, many professors of faculty of law, Thammasat University were drug-sellers in the drug-selling gang of Ratchaneewan Ad-harn and Ad-harn family. At that time, faculty of law, Thammasat University was the number one of faculty of law in Thailand. Even the professors of the number one of faculty of law in Thailand involved with drugs. So, why do you think in 2000, Thai people who are drug-addicts and/or drug-sellers were less than 85 percentages of all Thai people? And because one of the natures of all Thai people is that ready to do anything to manage to survive even the dirtiest tricks, so do you think now, how many Thai people who do not involve with drugs?
