

Rhinoceroses

(27 April 2025)

The Father Almighty or another name is Allah has told Me “Angie. Wicked harlots whose behaviours and habits are like female rhinoceroses are not only Kate Middleton, Rose, and all the female members of the satanic Chakri dynasty but also;

- 1) Prostitute princess Charlotte who is a niece of pimp king Albert of Monaco
- 2) A female cousin of prostitute empress Masako
- 3) All members of Blackpink that are Jennie, Jisoo, Lisa, and Rose
- 4) Colleen McEdwards
- 5) Hala Gorani
- 6) Kristie Lu Stout
- 7) Marie Kondo
- 8) Pauline Chiou
- And
- 9) Taylor Swift ...

... Angie, Will has been periodically ordered to go to Japan. And prostitute empress Masako let the female cousin introduce their palaces and Japan to Will to talk to Will. And the female cousin usually asked Me “Did Prince William like Me?” and “Was Prince William interested in me?” ...

... Angie, Daddy Charles was ordered to give insignias to Blackpink and was ordered to call Blackpink for going to his palace to meet Will. All members of Blackpink giggled and asked one another “Who in our group that Prince William will be interested in, first?” Jisoo and Lisa used to ask Me “I became world-wide famous like Angie. Was Prince William interested in me?” And after Jisoo became the most beautiful woman in the world 3 years continuously, Jisoo asked Me “Was Prince William interested in me?” ...

... Angie. Colleen ordered Me to make herself sick to tempt Will into pitying her, and to be her excuse “I never do anything to grab Prince William. I never work the plan. If I worked the plan, why I am sick?” ...

... Angie. Hala ordered Me to make her be a co-worker of Max Foster so as to order Max to introduce her to Will. But after she had been sure that Will will not definitely surrender to be grabbed by her, she decided to marry a man to be her excuse. And the man who became her husband is wicked the same as her! ...

... Angie. Kristie works the plan to garb Will. But after she had been sure that Will will not definitely surrender to be grabbed by her, she decided to marry a man to be her excuse. ...

... Angie. Pauline works to plan to grab Will. She is one of the wicked harlots who ordered Will to frequently go to the US to intimately talk to her! ...

... Angie. Taylor Swift works to plan to grab Will. She is one of the wicked harlots who ordered Will to frequently go to the US to intimately talk to her!

... Angie. Wicked female members of immoral royal families are trained to ride a horse for a purpose of grabbing men who are her targets. ... Angie, did You understand the pronunciations "Would you live like the world on fire? Would you love like **"horse"** "Tom" break?" from the song "Birthday Cake" sung by Dylan Conrique? ...

... Angie. The pronunciation **"horse"** from the song "Birthday Cake" sung by Dylan Conrique means people who ride a horse especially the wicked female members of the immoral royal families who are equestrians or are trained to ride a horse for the purpose of grabbing men who are her targets!"

I do not know the wicked harlots all but Prince William knows them all because He Himself is ordered to usually go to meet them and to frequently and intimately talk to them!

The Father told Me "Angie, not only Will has been faced these "rhinoceroses" but Harry has been also faced other "rhinoceroses". All the "rhinoceroses" are not virgin. They had sex with many men before working the plan. (The Father told Me later "Angie, some of them had sex with not many men but many, many times for a man!") And they think "A woman who has a thick face gets everything she wants in her life!"

The Father told Me "Angie. People who have a belief "People who have thick faces get everything they want in their lives!" will not be definitely let to be in The New Better world in that they do not respect the right of other people!"

The Father told Me "Angie, although some of these "rhinoceroses" have a boyfriend or married, having sex with only one man is not enough for them!"

By the way, when The Father wants to hint Me “Angie, write these truths” or “Angie, write those truths” (by ordering of pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family), The Father will underline “these truths” or “those truths” to Me (by ordering of pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family) in loops many times. And before I decided to write this topic, I had periodically heard the truths of these “rhinoceroses” especially the truths of the female cousin of prostitute empress Masako, the truths of Hala Gorani, and the truths of “horse” for a moment!

Anyway, The Father told Me “Angie. Emperor Akihito made friends with Yakuza before 2000. So, he is a direct cause why many Japanese teenagers and many Japanese young adults suicided like “Alice” from the book “Go Ask Alice”!”

Last, I heard the voice of prostitute princess Ubolratana Rajakanya and prostitute Sirikitiya “Not only Thailand is a prostitute country but Japan also!” “Empress Masako is a prostitute the same as all female members of the Chakri dynasty!” And “Japanese royal family and other royal families are rhinoceroses like the Chakri dynasty!”

Note: You will know why I compare these women to “rhinoceroses” if you know how behaviours and habits of female rhinoceroses when they want to breed are!
