

Screw

(20 October 2024)

I would like to underline the truths again. All female members of the satanic Chakri dynasty who married are ***“screw”***. Although they have their husbands, they have many mistresses. And all female members of the satanic Chakri dynasty who have not married are ***“screw”*** too. Although they have not married, they have sex with many men until their sex organs are plenty of “holes” which occur because sex organs of many men go into their sex organs.

I would like to emphasize the truths again: Prostitute queen Sirikit had had sex with French men, Danish men, and German men before succeeded in ***grabbing*** pimp king Bhumibol. The Father told Me “Angie. Pimp king Bhumibol knew these truths at the first time he had had sex with prostitute queen Sirikit. Hench, pimp king Bhumibol does not feel pleased with his wife and his family. Thus, pimp king Bhumibol ***strongly envies*** other royal families especially The British Monarchy, The Monarchies in Europe, The Monarchies of developed countries, and The Monarchies of rich countries even though he himself maintains his power as the king of Thailand by letting his wife, his daughters, and his nieces ***have sex*** with Thai soldiers!”

The Father stressed the truths to Me “Angie. The female members of the satanic Chakri dynasty who ***aim at grabbing*** Will, and kings and princes who are interested in You are not only prostitute Sirikitiya but all the nieces of pimp king Bhumibol and prostitute queen Sirikit also compete with one another to ***grab*** Will, and kings and princes who are interested in You!” And “Angie, did You see pimp king Bhumibol and prostitute queen Sirikit let their nieces show-off abroad ***but*** detain You in Thailand?”

The Father also told Me on 19 October 2024 “Angie. Prostitute Sirikitiya ***does not*** have her soulmate. So, she, her mother (prostitute princess Ubolratana Rajakanya), and her older sister (prostitute Ploypailin) ***aim at fighting over Will from You!***” And “Angie, did You know why Will ***was ordered*** to study ***History of Art***, and why Sirikitiya has shown that “I am interested in ***art***” and has worked about ***“history of art”***?” And “Angie, I know what prostitute Sirikitiya thinks!”

And The Father told Me “Angie. Prostitute princess Sirivannavari ***has ordered*** You to have Your face similar to her face especially while You are brushing Your teeth in that she thinks “Because the face of Angie is like my face, so Prince William will be ***interested in*** me!””

Last, The Father told Me “Angie. All the nieces of pimp king Bhumibol and prostitute queen Sirikit **do not** love Will and their targets to grab. But because they are **“screw” “wicked”** and have **“thick faces”**, so they want Will and/or the targets to be interested in them to make You and soulmates of the targets feel anguished and to see Will and You, and all the targets and their soulmates have problems in marriage lives in that Will and You, and all the targets and their soulmates will live happy lives in the new better world but they will be sent to die in hell and the eternal flame forever!”
