

Seungri, his gang, and all the South Korean people (13 November 2024)

On 12 November 2024 at 2:57 am, I was woken up. The Father Almighty or another name is Allah told Me “People who woke You up are “Seungri (Lee Seung-hyun)” and “the gang of Burning Sun Club””. After The Father had told Me, I heard a voice of a man “How do you know that the felon is me?” So, I believe that Seungri and his gang have read the topic “How do you know and why are you sure?” and they have funnily followed the alibi of pimp king Bhumibol, pimp king mha Vajiralongkorn, and the satanic Chakri dynasty.

So, I would like to warn Seungri, his gang, and all the South Korean people;

Seungri, his gang, and scores of the South Korean people have always gone bars and nightclubs, have always drunk beers and liquors, have usually taken drugs, and have been screws. Many of you are convicted of crimes. I mean that ***you have shown yourselves who you are and which group you are in.***

However, The Father Almighty or another name is Allah are The God of all Muslims. I am Allah’s Messenger and never lie to anyone. Prince William of The British Monarchy is being opening His Mind to help all Muslims to know that He is also The Son of Allah and King Charles and Prince Harry are gods sent by The Father to do The Missions. And ***Muslim courts are religious courts.***

Therefore, if you are not idiotic, you will figure out ***whom*** Muslim judges will listen to: You, or The Father and Me who never lie to anyone. So, ***why*** do you believe that the alibi “How do you know and why are you sure?” will help you not to be sentenced by severe torments to be death by Sha-re-ah Law? Other truths are that heaven, purgatory, hell, and the eternal flame know everything including the real mind of each man, and nobody is alive forever. So, ***why*** do you believe that the alibi “How do you know and why are you sure?” will help you to survive from cold-blooded in hell and the eternal flame?

Pimp king Bhumibol, pimp king mha Vajiralongkorn, and the satanic Chakri dynasty are the dynasty of a small agriculture country, but why the dynasty is richer than The Monarch of Saudi Arabia and The Monarch of Brunei. Why the dynasty of the small agriculture country which most of citizens are poor, is the richest monarch in the world? ***Why*** do you all believed that currency exchanges cannot be proved?

The faces and the bodies of all the nieces of pimp king Bhumibol and prostitute queen Sirikit have also shown who their fathers must be. If the judges of the Muslim courts consider this point and order all members of the satanic Chakri dynasty to prove their DNAs to know “Do they have been stimulated to commit the devil’s dirty plan by “one of their natures which is being screws”?”, **what will happen?** (The Father told Me “They will surrender to prove DNAs or they will not surrender to prove DNAs, consideration of the Muslim judges will be the same”)

It is not enough. Thailand have sent drugs to many countries but have not been able to survive from eyes of foreign police officers. And **which** country I, My Parents, and My Group have been detained in to be violently tormented?

As a result, **why** do you believed “Pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, and all Thai people will be able to manage to survive to help us to manage to survive too”? Or you believe that the president of South Korea will be able to help you?

The president of South Korea and his family have shown themselves who they are and which group they are in by ordering The British Monarchy to give insignias to them. Everyone knows that Christians believe “We need to follow the orders before”

Once again: The Father Almighty or another name is Allah are The God of all Muslims. I am Allah’s Messenger and never lie to anyone. Prince William of The British Monarchy is being opening His Mind to help all Muslims to know that He is also The Son of Allah and King Charles and Prince Harry are gods sent by The Father to do The Missions. And ***the Muslim courts are the religious courts.***

So, if you are not idiotic, you will figure out that the Muslim judges will listen to the president of South Korea who governs the country which one of the cultures of the citizens is envy, are plenty of drugs, have ordered the western people to crazy about its entertainment businesses, and many businesses such as Samsung and LG have ordered The Father to ban many businesses in the western world on developing and/or on selling their products (Hair accessory businesses in South Korea have ordered The Father to ban Evita Peroni on selling their products in Thailand!), ***or the Muslim judges will listen to The Father and Me who never lie to anyone.***

So that, **why** do you believe that the president of South Korea and his family will be able to manage to survive to help you not to be sentenced by severe torments to be death by Sha-re-ah Law?

And I told you in the topic “They are going to be the same as their orders!”: “You are going to be the same as your orders!” Therefore, **why** do you believe that it will be difficult to prove that who else ordered what else?

Because I am Allah’s Messenger (The only one Prophet of all Muslims in the current millennium), Prince William of The British Monarchy is The Son of Allah, and My Parents, My Group, King Charles, Prince Harry, and some ethical members of The British Monarchy are gods and goddesses sent by Allah to do The Missions, so ***We are proceeding Our Court Cases to the Muslim courts in Muslim countries where their citizens are tormented and/or are killed because of the group of pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, and all Thai people!***

I would like to remind you: Two of the principles of Sha-re-ah Law are ***“An eye for an eye. A tooth for a tooth!”*** and ***“A defendant will be punished until a plaintiff will be satisfied!”***

I have gotten bachelor degree from faculty of law!

...

Note: A hairdresser whom I used to intimate with told Me “All the South Korean people love to create their images too.” So, once again: The images of pimp king Bhumibol and the satanic Chakri dynasty are “the best”, but ***could their images help them to be the best “forever”?***

Once again: ***Nowadays, at this minute, could you forecast who will be in a coffin before: I, or pimp king Bhumibol, pimp king mha Vajiralongkorn, and all the members of the satanic Chakri dynasty?***

The truths are that nobody is alive forever. Hell and the eternal flame never care about your money, your reputation, or your image. In life after death, nothing you can bring with you except your goodness and your wickedness you do in your life!
