

“So easily”, right?

(23 April 2025)

I told you “Princess Diana was set by the ears: “Prince Charles never loves You, but He married You because You are the most appropriate Woman for Him. Camilla is the first love and true love of Him, but He cannot marry Camilla because she married Andrew Parker Bowles!””

So, the next questions are “Besides lady Sarah who was Princess Diana’s sister, and Camilla who usually took chances while Prince Charles was going on the way to see her husband for calling Princess Diana to provoke and set Princess Diana by the ears such as “Do you think whom Charles really wants to meet when He comes to my home?”, whom else Princess Diana listened to?” And “How do you know that all people who got close Princess Diana could be trusted all?”

A significant truth is “People ***whom we trust*** can set us by the ears ***so easily***”, right? ...
