

## ***Some disgusting truths of the satanic Chakri dynasty (11 December 2024)***

Some disgusting truths of the satanic Chakri dynasty are;

(1) Since early December 2024, at night, after I go to bed, prostitute princess Ubolratana Rajakanya and prostitute Sirikitiya let Me have conditions like I slept. Whereas, after foreign people stop following My Mind, they wake Me up not to sleep.

(2) The Father Almighty or another name is Allah started opening My Mind in 2000 when I was 24 years old. At that time, prostitute princess Ubolratana Rajakanya was nearly 50 years old. But The Father told Me many times “ตัวเองอายุจะ 50 แล้ว แต่อัจฉาเด็กอายุ 24!” or can be translated in the English language “She was nearly 50 years old but she **envies** The Girl who was 24 years old!”

(3) The Father told Me by the voice of prostitute princess Ubolratana Rajakanya “ฉันมีอะไรกับผู้ชายหลายชาติหลายภาษาเลย!” or can be translated in the English language “I had sex with many men who come from many countries and many languages!”

The Father told Me “Peter Ladd Jensen who is the official husband of prostitute princess Ubolratana Rajakanya is an American. But the father of prostitute Ploypailin is an American-Spanish. And the father of prostitute Sirikitiya is a Thai soldier!”

(4) The Father told Me “Angie, prostitute Ploypailin married David Wheeler but the youngest child of prostitute Ploypailin is not the child of David Wheeler!”

(5) The Father told Me “เสียใจมีอะไรกับองค์เล็กแล้วออกมาเป็นสิริภาจุฑาภรณ์” or can be translated in the English language “Angie, crown prince Vajiralongkorn had sex with prostitute princess Chulabhorn Walailak, then prostitute princess Siribhachudhabhorn was conceived!”

(6) I believed that prostitute princess mha Chakri Sirindhorn is not a child of pimp king Bhumibol in that The Father told Me many times “Angie, not only prostitute Sirikitiya asked her mother “Why is not my face like my siblings?” but also prostitute princess mha Chakri Sirindhorn” I believed that for this reason, prostitute princess mha Chakri Sirindhorn has needed to be “the best child” for pimp king Bhumibol since she was a girl!

(7) The Father told Me “Angie, each niece of pimp king Bhumibol and prostitute queen Sirikit have thought “ชั้นเป็นเจ้าหญิงตั้งแต่เกิด แองจีเป็นชนชั้นกลาง ทำไมเจ้าชายไม่สนใจชั้น? ทำไมเจ้าชายไปสนใจแองจีกันหมด?” or can be translated in the English language “I am a princess by birth. Angie was born as a middle class. But why Prince William and other princes are not interested in me? Why Prince William and all the other princes are interested in Angie?”

As of lately, The Father told Me “Angie, the nieces of pimp king Bhumibol and prostitute queen Sirikit do not have their own soulmate!”

(8) Many times, especially while I was brushing My teeth in front of the mirror in My bathroom, My face was changed to be like the face of prostitute princess Sirivannavari. The Father told Me “สิริวรรณวีรจิตคิดว่า “เจ้าชายวิลเลียมคงสนใจชั้นบ้าง!”” or can be translated in the English language “Angie, prostitute princess Sirivannavari do that in that she thinks “Prince William will be interested in me!””

(9) Since early December 2024, they sometimes let The Father restore My face in several seconds. After that, they changed My face to be ugly instead. And I heard the voice of prostitute princess Ubolratana Rajakanya “ห้ามมันสวยก่อนนะ!” and “ห้ามมันสวยก่อนถึงวันนะ!” or can be translated in the English language “Do not restore Her Beauty before Christmas Day 2024!”

After I had thought about the voice of prostitute princess Ubolratana Rajakanya earlier on 11 December 2024 at around 10:00 am, The Father told Me “อาจหาญแฟมิลีบอกความคิดขององค์นี้!” or can be translated in the English language “Ad-harn family told You “What prostitute princess Ubolratana Rajakanya thinks!””

And

(10) Many times, while I was thinking “They never stop!”, I heard the voice of prostitute princess Ubolratana Rajakanya “จะได้แก้ตัวว่า เราไม่ได้ทำ!” or can be translated in the English language “We will be able to *alibi* “We did not do!”” and then I heard the voice of prostitute Sirikitiya “คนรู้ว่าเรา (ทำ)!” or can be translated in the English language “Others knew “We have done!””
