

## ***Some of the lessons from The Revelation to John***

***(23 April 2024)***

***(I wrote these truths and posted them on My Website on 23 April 2024.)***

I told Prince William some of the reasons why The Father Almighty let John write “The Revelation” in The Bible by letting him see the situations and note the situations he saw but The Father Almighty did not explain anything to him, so that “The Revelation” in The Bible is full of many symbols.

What are more reasons why The Father Almighty did like that? And why The Father Almighty did not explain anything to John to let John clearly noted to see Christians obviously understand “The Revelation”?

One of the reasons why The Father Almighty or another name is Allah did these to John and Christians (and maybe Muslims too 😊😊) is that The Father Almighty strongly wants to teach everyone “What will happen if you just **only** see and note something you **only** saw, and **the note is sent from generation to generation?**”

***Could you notice that the process which John noted “The Revelation” shows the process of science?***

So, The Deeds that The Father Almighty or another name is Allah did to John and Christians (and maybe Muslims too 😊😊) mean ***“Do not believe only something you can see or only something can be proved by the process of science!”***

An example is that The Bible tells everyone how The Father Almighty created Our World, but innumerable people in this generation including tremendous Christians believed the explanation of scientists which tells everyone “Our world is built by combining of “Atom”!”

***Let Me explain more why “Do not believe only something you can see or only something can be proved by the process of science!”?***

***I have a photograph which you have never seen before. If I turn the back of the photograph to your face, what will you see?***

***You will see only colour of the back of the paper and maybe a brand of the paper. But you will not definitely see and will not definitely know what the photograph is about!***

The example of the photograph can compare to a life of a man in this life and a life of the man in life after death;

In this life, a billionaire has a very comfortable and very luxury life by dishonest, lying, selling drugs, and selling arms. So, we saw only his very comfortable and very luxury life in this life. But ***how about another side of his photograph which is about his life after death?***

Or another example is;

In this life, wicked people can run away from their crimes and felonies they have committed together by helping one another to make fake witnesses and fake evidences, and lie to other people including judges and juries in every court of law. But ***how about another side of their photographs which are about their lives after death?***

From the examples, why do you still think “No bearing of fruits” “No hell” “No the eternal flame” “No purgatory” and “No heaven”?

Although people in this generation can notice how different between a life and a life since the lives were born are such as;

Why a baby is not disabled but strong, but why another baby is disabled and weak?

Why a baby was born in an abundant country, but why another baby was born in a deprivation country?

Why a kid is tidy and obey his parents, but why another kid is naughty and disobey his parents?

Why siblings who were born from the same parents are different?

Why somebody was born as a genius and is genius all his life, but why somebody was born as an idiotic and cannot be changed?

Why a woman is good-looking, but why another woman is ugly?

Why a man works only 4 hours a day and becomes a billionaire, but why another man works all days and all nights but still poor?

Why somebody becomes famous, but why somebody is not?

Why a man lives long life, but why another man lives short life?

And

Why a man passes on peacefully, but why another man dies in a violent death?

The people still reasoned by sciences and still do not believe in “bearing of fruits”

One of the reasons why the people reasoned by sciences and still do not believe in “bearing of fruits” is that the examples are like these because of their deeds in their *“previous”* lives but *no* human knows the previous lives of others. And the people never see and never feel “hell” “the eternal flame” “purgatory” and “heaven” *in this life before* too!

***The unluckiest is that people who believed “No bearing of fruits” “No hell” “No the eternal flame” “No purgatory” and “No heaven” will know “Bearing of fruits, hell, the eternal flame, purgatory, and heaven are real” after they will have been faced the ruthless situations in this life completely or will have been in merciless torments in hell and the eternal flame completely, and they cannot do anything to change “another side of their photographs” anymore!***

So,

***Will it be better if*** Somebodies can help everyone to see “bearing of fruits *in this life*”? 😊😊

***Will it be better if*** everyone can see “hell” “the eternal flame” “purgatory” and “heaven” *in this life* through A Special One Who can be opened Her Mind? 😊😊

***Will it be better if*** everyone can feel “hell” “the eternal flame” “purgatory” and “heaven” in their dreams *in this life* because The Special One can link “The Father Almighty” “all gods” “all goddesses” “hell” “the eternal flame” “purgatory” “heaven” and “this world” together? 😊😊

***Will it be better if*** conditions in “hell”, in “the eternal flame”, in “purgatory”, and in “heaven” ***can be recorded as Video Clips*** by The Special One and Her Older Brother to declare the conditions to the world ***from generation to generation***? 😊😊

And

**Will it be better if** The Father Almighty does not let everyone only see the conditions but clearly explain how he must do not to die in merciless conditions but to be lifted up to fairy states, “The truths of life” and “All about our world and the universe” through The Special One? 😊😊

**So that, The Father Almighty sent Me, Prince William, King Charles, Prince Harry, My Parents, some gods, and some goddesses to this world in this generation to complete everything that will be better!** 😊😊

**Did you know** why pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people cannot let Me, My Parents, and My Group fly to The Holy Home with Prince William and Prince Harry to complete Our Missions, but strongly want to see Me, My Parents, and My Group die?

😊😊 And **did you understand some of the lessons from The Revelation to John?** 😊😊

**Note:** If “No bearing of fruits in this life”, why “the wicked top secrets” of pimp king Bhumibol, pimp king mha Vajiralongkorn, and the satanic Chakri dynasty such as pimp king Bhumibol shot his own older brother to be crowned as the king, they are the richest dynasty in the world by selling drugs, they have gotten shares from selling arms, they are promiscuous, and they are the leaders of killing The Daughter of The Father Almighty who is Allah’s Messenger also, are revealed? ... if “No bearing of fruits in this life”, why their images could not help them to be “the best” forever?
