

Some of their bad karmas rebounded on them!

(22 April 2025)

I told Prince William, King Charles, and Prince Harry “I figured out the truths of The Words of Daddy Almighty That Daddy Almighty has periodically and briefly told Will since Will was A Boy “When You grow up, You need to test each human before” because Daddy Almighty hinted Me to know the truths”

Whereas, let Me explain what happened?

Since I knew that Prince William of The British Monarchy is My Real Soulmate and Prince William and all moral Christians have waited for “the end of the test” but I really knew “This is not the test”, I have **periodically** heard “Since Will was A Boy, Will has periodically heard “When You grow up, You need to test each human before””. ***But because pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family themselves ordered The Father Almighty or another name is Allah not to let Me find Any Reasons why Prince William has heard like that, so I heard it but I did not think anything about it and let it pass.***

However, since 27 February 2025 on which I started to challenge Prince William to show His True Love for Me to Me and everyone by finding An Answer for My Questions, I have tried to tell Prince William, King Charles, and Prince Harry “This is not the test”

Ratchaneewan Ad-harn who loves to lie to, is satanic, tricky, and excellent in deception, knew the certain future from The Father. She knew “Angie will figure the truths out why Prince William has heard like that on 21 April 2025”. Hench, she herself wanted to fool Me into believing “This is the test” the same as Prince William, King Charles, Prince Harry, all moral Christians, and all obedient Muslims were fooled into believing to see Me stop explaining all the truths which I know but wait for “the end of the test” the same as Prince William, King Charles, Prince Harry, all moral Christians, and all obedient Muslims have waited for. Because “The more the truths I clearly and reasonably explain, the more the difficult they can control and/or fool their targets!”

Thus, on 21 April 2025 in the afternoon, Ratchaneewan **herself** let Me think, and she **herself** let The Father underline the truth to Me “Angie, since Will was A Boy, Will has periodically heard “When You grow up, You need to test each human before”” many times in hope that I would be tempted into waiting for the same as Prince William, King Charles, Prince Harry, all moral Christians, and all obedient Muslims were tempted.

She aimed “Because Angie knows that we started ordering The God to send our thoughts to lie to our targets by The Voice of The God at the end of November 1999, so Angie will be tricked “The Words of The Father when Will was A Boy must be the truths!””

However, *because Ratchaneewan herself let Me think* but I know the truth “This is not the test”, so in limited time, I tried to rationalize The Words of The Father That The Father has periodically and briefly told Prince William since Prince William was A Boy. And *I figured The Reasons of The Father out!* 😊😊

Next, I heard her voice “ฉันไม่รู้ว่ามันจะคิดออก!” or can be translated in The English Language “I had not known She would figure the truths out!”

After that, The Father guided Me and told Me All The Reasons of The Father about The Words 😊😊.

...

Did you see that from 2017 in which was the year I started studying The Bible with Father Robert Martin to know the beliefs of all moral Christians, to 21 April 2025 at early afternoon, they all *themselves* ordered The Father *not to* let Me find Any Reasons why Prince William has heard like that, but because they strongly wanted to fool Me to see Me stop explaining all the truths which I know but start to wait for, so they *themselves* let Me find A Reason why Prince William has heard like that?

And did you see that they all knew the future but they made a big mistake *by themselves* by letting Me think and trying to tempt Me into believing their lies ... But *eventually, I figured The Reasons of The Father out because they themselves are arrogant and look down on others “I am the cleverest. Angie and others are stupider. Thus, Angie will not definitely know The Reasons of The Father why He has told Prince William like that ... Angie will be fooled again!”*, so they *themselves* let Me think, and they *themselves* let The Father emphasize The Words of The Father to Me many, many times?😊😊

*If Ratchaneewan **who loves to lie to, is satanic, tricky, and excellent in deception, herself was** not arrogant, did not look down on others, and did not intend to trick Me into believing their lie “This is the test” the same as Prince William, King Charles, Prince Harry, all moral Christians, and all obedient Muslims were tempted into believing to see Me stop explaining all the truths which I know because “The more the truths Angie clearly and reasonably explains, the more the difficult we can control and/or fool our targets!”, she **herself** would not let Me think and she **herself** would not let The Father underline The Words of The Father That The Father has periodically and briefly told Prince William since Prince William was A Boy “When You grow up, You need to test each human before”, right?*

Did you agree with Me “Everything happens to you depends on your deeds which are your thoughts, your words, and your actions”? 😊😊

😊😊 And did you agree with Me ...

... “Some of their bad karmas rebounded on them!”? 😊😊

😊😊😊

Note: The Father told Me “Angie, *they knew from Me what else will happen. As a result, to help everyone to see “Everything happens to you depends on your deeds which are your thoughts, your words, and your actions”, I do not tell them if they do like this, what will happen to them? Or if they do like that, what will happen to them? But I let them make a decision what else to do by themselves. And the results are as You saw because they knew from Me what else will happen but they have not known why it has happened ... It has been happened by their deeds! ... Hahaha”* 😊😊

The Father told Me “Angie, why did You think they have made a big mistake like Your case to only You? ... *As of lately, they have made big mistakes like Your case to many people many times because they have needed to meditate on controlling their targets along with order many orders to foreign people all over the world!* 😊😊”

The Father also told Me “Angie, *they are died by their own wickedness!*” 😊😊

😊😊😊😊😊😊😊😊
