

## ***Some of their plans (2)***

### ***(31 May 2025)***

On 31 May 2025 at dawn (around 3:00 am), I heard “Nok will put “poisons” into foods and beverages of only Angie!”

After that, Almighty or Allah quickly told Me “Angie. Nok is assigned that after she will have gone out of the hospital, she must put “poisons” into only Your foods and beverages, but must not put “poisons” into foods and beverages of Your Parents to be her **lies** “Angie does not forgive me and curse me, so I was furious and cursed Angie back. I committed the offences such as Offenses of Murdering The Other Person by Premeditation because I want to manage to survive. My All deeds came from natures of human being!” and all Thai people planned to **lie to** foreign people like Nok!

(After I told you this plan, pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all the Thai people, all evil foreign people, and their co-workers may change their plan by assigning Nok to put “poisons” into foods and beverages of My Parents too as she usually did!”)

And before 31 May 2025 around 3 to 4 days, Almighty or Allah told Me “Angie. After Nok will have been in a coffin to be fire at a temple, after the coffin will be closed, Nok will be disappeared from the coffin to appear in a palace of pimp king Bhumibol by Me to show herself to public again later to **lie to** the foreign people “Queen Elizabeth and The British Monarchy ordered The God to kill Me in that I know that the leaders of the devil’s dirty plan are Queen Elizabeth, King Charles, Prince William, Prince Harry, The British Monarchy, British people, and the UK, and I really want to expose their truths to the world!” and many people who **pretend to die** will use this plan to **lie to** the foreign people too!

I would like to emphasize the truths again: If you can reform yourself, you will be forgiven.

However, **I have lived My Life with Nok since she was born. So, I know her natures. Since Nok was a girl, she has counted how much money and heritages she will get from My Parents if My Parents died. She has practiced to lie to other people and has practiced to steal both many of My things, money of My Parents, and value things of My Parents since she was a girl. She is a very self-centre woman. When she wants to get something but she still has not gotten those things, she is furious and rampant until she gets those things. And I am A Person who have had direct experiences what else she has done since the end of November 1999 too. Therefore, I really know that Nok cannot reform herself!**

I also was born and grew up in Thailand. So, I know natures of all the Thai people. I would like to underline the truths again: Since I studied in 3<sup>rd</sup> year of bachelor degree at Thammasat University, I have known the natures of all the Thai people. As a result, after I had just graduated bachelor degree from Thammasat University, I requested Almighty or Allah to start My New Life Abroad because;

“More than 85 percentages of all the Thai people are drug addicts and/or drug sellers. Henchmen of Ratchaneewan Ad-harn, Ad-harn family, and the Thai drug selling gangs are full in Thailand. And all the Thai people are so satanic. Thailand really is The Heaven of devilish people!”

But Almighty or Allah did not allow Me to start My New Life abroad by a main reason “Angie, if I allowed You to start Your New Life abroad, pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all the Thai people, all South Korean people, all North Korean people, all Mexican people, many Australian people, many Chinese people, some countries that are their co-workers, all evil foreign people, and their co-workers would succeed in blackening many innocent people and many countries that are their targets to blacken such as the UK and the US!”

If I know the natures of all the Thai people at that time, why did not I tell foreign people at the start?

It is because all the Thai people helped one another to order Almighty or Allah to make Me forget these truths. At the period of the time when I was controlled to forget these truths, all the Thai people outside My Home pretended to smile with Me and pretended to be friendly with Me (but in reality, they all want Me, My Parents, and My Group to die) And Ratchaneewan Ad-harn also used psychology with Me by the words “ทุกคนเข้าใจเด็กหมดแล้ว” or can be translated in The English Language “Every Thai person understood The Kid” so I was controlled to believed “All the Thai people did satanically to Me because all the Thai people did not understand Me!”

By the way, you will understand how so very much extreme torments I, My Parents, and My Group have gotten since the last 4 months of 2024 if you know that a day in around September 2024 or may be October 2024 when I went to Central World, while I was in a restroom (so, I did not see the face of a woman who said the following sentence), I heard the woman speak loudly in a good mood “ถ้าผ่านช่วงนี้ได้ ... เก่ง!” or can be translated in The English Language “If Angie could pass the period of this time, You are excellent in bearing and tolerating us!”
