

Some sexual cultures of Thailand (2)

(9 May 2026)

(Please read them all.)

Almighty or Allah has told Me since 8 May 2026;

“Angie. Thai soldierlike commanders send **a signal** to low-level female Thai soldiers and medium-level female Thai soldiers to have sex with by telling them “หนูหน้าตาดีนะ!” or can be translated in The English Language “You are good-looking!” And **sexual activities between him and her or among them are in the commanders’ working rooms!** ...

... Angie. The signal earlier is used for **not only** the circle of the Thai soldiers **but also** the circle of the satanic Chakri dynasty, the circle of the Thai police, the circle of the Thai politicians, and the circle of the Thai government officers!” ...

... Anyway, Angie. Because Pita Limjaroenrat is one of the Thai people who was assigned to **pretend** to be Your hero, so he was assigned to **pretend** to speak out “ทหารมีไว้ทำไม?” or can be translated in The English Language “What are soldiers for?” And his words became “a viral” over a night with the result that he **dramatized** to show his sadly apology to the Thai society. ...

... Angie. **The pretence** was for **tempting** You and foreign people especially the foreign reporters into doubting later “What else Pita and his friends have heard?” and for **tempting** You into sympathizing Pita and his friends. **The pretence** was also for **tempting** You and the foreign people into believing their lies “The Thai new generation really want to help Angie and really want to change! ...

... By the way, Angie. Rukchanok Srinok, nickname “Ice”, a phenomenon politician of People’s Party, recently wore a dark-blue provocative dress working in the Thai parliament instead of tidy clothes for a purpose of sending her signal “I want to be an official wife of a Thai politician who is a millionaire (such as Thanathorn Juangroongruangkit and Pita Limjaroenrat) ... I am ready!” but she planned to **excuse** “I was ordered to do that!””
