

Some sexual truths of prostitute Ubolratana Rajakanya The God told Me

(2 May 2026)

(Please read them all.)

Once, I heard “When a woman straddles on the lap of a man, the man cannot pull his sex organ in the sex organ of the woman by himself. He needs to use his hand to pull his sex organ up and down”.

So, I doubted “แล้วทำไมอุบลรัตน์ทำท่าแบบนี้?” or can be translated in The English Language “Why prostitute Ubolratana Rajakanya straddled on the lap of the man?”

After that, I heard the voice of prostitute Ubolratana Rajakanya replied “ชั้นขย่ม” or can be translated in The English Language “I humped (rode)”.

So, I doubted “ทำอย่างนั้นทำไม?” or can be translated in The English Language “Why she did that?”

Next, I heard the voice of prostitute Ubolratana Rajakanya answered “เพื่อให้ฝรั่งรู้ว่าชั้นร้อนแรง!” or can be translated in The English Language “For the foreign men to know that I am hot!”
