

Some truths ***(3 April 2024)***

The First Truth

I told you “The Chinese government has ordered The Father Almighty to make his own country to be “leap development” and to be the biggest powerful country in the world, but to make the US and countries in the western world to “slump” and to be like “slums””

You may want to ask Me “Do all Chinese people in the communist party has ordered The Father Almighty to do like that?” My answer is that I am not sure because The Father Almighty told Me while I was thinking “If other countries all over the world declare wars on Thailand and Xi Jin-ping thinks of how to help Thailand, The Father Almighty will make Xi Jin-ping be “paralysis””: “Angie, Xi Jin-ping knew that not all Chinese people in the communist party admire him. There are some Chinese people in the communist party who want to take him down from the position!”

Anyway, The Father Almighty told Me on 3 March 2024 at around 4:45 pm “The Chinese government has worked with the western leaders and many western government officers to make the US and countries in the western world to “slump” and to be like “slums” because the western leaders and the western government officers know “We cannot reform ourselves. We will be taken down to die in hell and the eternal flame forever certainly”, so they want to see the citizens of their countries and their countries are destroyed before they will die in hell and the eternal flame forever!”

The Second Truth

Although The Father Almighty told Me “You will see how many people will believe their alibis and their lies”, I really worry about countries where their religions do not teach them to respect The Father Almighty and countries where most of people are illiteracy in that pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people are excellent in lying to other people and deception!

The Third Truth

Ratchaneewan Ad-harn and Ad-harn family have told Me many truths of pimp king Bhumibol, the satanic Chakri dynasty, and their alliances to lie to foreign people “Queen Elizabeth ordered us to lie the lies about them to Angie!”

The Fourth Truth

I would like to repeat the truth again: Pimp king Bhumibol and the satanic Chakri dynasty have taught their all henchmen “If we succeed in helping one another to lie the lies to other people including judges and juries in every court of law, there is no “bearing of fruits in this life” or Buddha called “karmas in this life” surely!”

The Fifth Truth

The Father Almighty wants Me to repeat this truth again: Pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people planned to lie to foreign people “A Thai man is the real soulmate of Angie”

But because if the Thai man gets close Me, the foreign people will know My real emotions when I get close him, so while I am being detained in Thailand, the Thai man will not definitely get close Me.

However, after I and Prince William will have been at The Holy Home, the Thai man will lie to the foreign people “I used to think that Prince William is The Real Soulmate of Angie because of the emotions of Angie while She was talking to Prince William. But after Angie and Prince William were at The Holy Home and The God told something about us, we knew that Angie is still at a dangerous place. If Angie was at the safest place, why The God tells the lies about us? And why we still hear the voices that order us to do many things? Thus, I am sure that I am the real soulmate of Angie!”
