

***Some truths of Bernard Arnault, Arnault family, Lisa Blackpink, her stepfather, and her mother  
(9 March 2025)***

Before 3 March 2025, The Father Almighty or another name is Allah told Me “Angie. Bernard Arnault was enticed to join the devil’s dirty plan because he has many businesses, but many of his businesses must be changed because of Your Teachings. And because he has many businesses, so he can use his businesses to launder dirty money from selling drugs!”

Whereas, since 3 March 2025 at night, The Father asked Me and has told Me;

1) “Angie, ***why do You think Bernard Arnault and Arnault family just started to launder their dirty money and evade taxes at the end of November 1999? They have laundered their dirty money and have evaded taxes since before the end of November 1999 for a long time. And they have paid bribes to many government officers to conceal their crimes. Angie, did You see the case of Donald J. Trump as an example?***”

2) “Angie. ***Bernard Arnault thinks “Selling drugs is good in that it makes me have much money to takeover other businesses!”***”

3) “Angie. ***Bernard Arnault and Arnault family has worked the devil’s dirty plan with pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, all South Korean people, all North Korean people, all evil foreign people, and their co-workers together. And all people who work the plan including all businessmen and all businesswomen who work the plan are cordial with one another.***”

4) “Angie, ***many businesses were controlled to sell their businesses to Bernard Arnault, Arnault family, and businessmen who work the plan such as L’Oreal.***”

5) “Angie. Bernard Arnault and L’Oreal have ordered other cosmetic brands ***not to*** produce and sell any products like Benetint by Benefit and Cheek and Lip Tint by The Body Shop!”

And

6) “Angie. ***Bernard Arnault has ordered Me to make him be one of the richest men in the world!***”

Therefore, because Bernard Arnault and Arnault family have laundered their dirty money, have evaded taxes, have paid bribes to many government officers, and have worked the plan, so I figured out an important plan of pimp king Bhumibol, the satanic Chakri dynasty, and their all consultants **to alibi** and **to blacken** Queen Elizabeth, King Charles, Prince William, Prince Harry, The British Monarchy, British people, and the UK;

Because Lisa Blackpink and Frederick Arnault are **partisans**, so pimp king Bhumibol, the satanic Chakri dynasty, and their all consultants planned to let Lisa and Frederick **lie to** other people especially judges and juries at every court of law;

Lisa will **lie to** the other people especially judges and juries at every court of law “I never join the devil’s dirty plan and I know about the plan not much. I believe that King Charles and The British Monarchy gave me an insignia because They admire me and my songs. So, They called me and my friends for going into their palaces many times. But many times while I was being in the palaces, Prince William tried to flirt me to start a relationship with me, but He did not succeed in that I have been in a relationship with Frederick. This is an important reason why King Charles, Prince William, and The British Monarchy accuse me, Frederick, Arnault family, my friends, and Korean people!”

Although while Lisa was being in Their palaces, she never told Prince William and King Charles to help Me, Lisa may **lie to** the other people especially judges and juries at every court of law “While I was being in Their palaces, I told Them to quickly help Angie, Her Parents, and Her Group. But They did not do. So, I am sure that They are the felonious leaders in that The God has told me like that and Their deeds showed me the truths!”

Or Lisa may **lie to** the other people especially judges and juries at every court of law “I told Them to wait for because The God has told me like that and I sincerely believed that everyone needs to wait for!”

And Frederick will **lie to** the other people especially judges and juries at every court of law “I have been in a sweet relationship with Lisa. Lisa is a nice girl. Lisa has consulted me the behaviours of Prince William and King Charles while she was being in Their palaces. But at that time, we believed that we could not do anything, and we needed to follow Their orders before!”

***The Father has told Me the truths of Lisa and Frederick;***

- Both Lisa and Frederick ***do not*** have a soulmate.
- ***Their relationship is in the plan.***
- ***Lisa strongly wants to have sex with many foreign men, so Lisa and Frederick have sex together and Frederick thinks “Lisa is superb for having sex!”***
  - Lisa has ordered The Father to change her appearance to be the appearance which Frederick feels satisfied. But ***after her real appearance will be restored, Frederick will feel disgusted her. So, she is one of the people who order The Father to change My Appearance to be ugly to see Prince William feels disgusted Me before!***
  - Prostitute Princess Ubolratana Rajakanya really admires Lisa because ***both of them are screw.*** Lisa has been screw since she was so young.

And

- Frederick and his family have helped pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, Lisa, her mother, her stepfather, all Thai people, all South Korean people, all North Korean people, all evil foreign people, and their co-workers ***to severely torment Me, My Parents, My Group, Prince William, The British Monarchy, and Our All alliances.*** These truths are confirmed by pronunciations in the song “A Matter of Trust” sung by Billy Joel: “Arnault you ran emotion A Girl”!

***The Father told Me the truths of Marco Bruscheiler who is the stepfather of Lisa and Chitthip Manoban who is the mother of Lisa;***

- The Father asked Me and told Me “Angie, why do You think foreign men who have been husbands of Thai women are good? ***To live together, their wickedness must be the same!*** ... Angie, You are The Most Optimistic Girl!”
- Marco wishes Lisa who is his adopted child the best. But he does not wish Me, The Daughter of The God, the best.
- Marco knows natures of Lisa but he wants Lisa to be a princess instead of Me, The Daughter of The God.
- Marco really wants himself to be the father of a princess.
- ***Marco, Chitthip, and Lisa have evil ambitions.***
- Marco has ordered The Father to make him a world-class chef the same as Sigurd Sperbund who is the official father of Urassaya Sperbund has ordered The Father to make him rich.
- Marco has ordered The Father to tell him recipes of delicious dishes and how to cook, and has ordered The Father “The dishes which I cook must be delicious!”
- Marco helps Lisa and Chitthip to plan how to win a court case between them and Me.

- Marco warns Lisa and Chitthip "Angie is Allah's Messenger. And Muslim's Sentences are brutal. So, we must carefully plan a plan!"

And

- ***Chitthip planned to let Marco be a big drug-dealers in Switzerland.***

Last, ***because Bernard Arnault and Arnault family are a part of the plan, I mean that they are a part to make disasters in many countries, to make co-vid 19 in China and all over the world, to make wars and genocide in The Muslim World and many parts of our world, and to make chaos all around the world, and because their parent company is LVMH, so I would like everyone not to buy anything which are products from LVMH and affiliated companies of LVMH 😊😊.***
