

Some truths of Tourism Authority of Thailand, Lisa Blackpink, and all the Thai people

(27 March 2026)

(Please read them all.)

Almighty or Allah has told Me;

“Angie, almost of all foreign people who travelled to Thailand decided to come to Thailand because of You”

However, Tourism Authority of Thailand (TAT) chose Lisa Blackpink who has tried to compete with Me and has tried so hard to grab Prince William to be the presenter to promote tourism of Thailand.

Almighty has told Me;

“Angie, after You, Your Parents, and Your Group will have outed of Thailand to fly to The Holy Home with Will, Harry, and Harry’s Soulmate, Thailand will not have any tourists anymore. ...

... After that time will have come, TAT will stop Lisa being the presenter to promote tourism of Thailand. ...

... Angie, could You forecast what TAT will **lie to** the world?”

Almighty has also told Me;

“Angie. The Thai police officers will **dramatize** to arrest Lisa to interrogate. And Lisa will **lie the lies** “I am a henchman of Queen Elizabeth and The British Monarchy. I have done as Their orders!””

Could you remember that all the Thai people have satirized Me by the phrase “โลกสวย” or can be translated in The English Language “Beautiful world”? And they all named the hippopotamus “Moo-Deng” or can be translated in The English Language “Dancing pig”?

And now, to release their very strong envious in their minds, they usually said loud enough for Me to hear “แก่” or can be translated in The English Language “Old”, and “อ้วน” or can be translated in The English Language “Fat”. But they will **lie a lie** to the world “พวกเราถูกสั่งให้พูดอย่างนั้น!” or can be translated in The English Language “We were ordered to say like those!”
