

## ***Some truths of prostitute Sirikitiya The Father has told Me (13 December 2025)***

***(Please read them all.)***

The Father Almighty or Allah has told Me;

“Angie. Prostitute Sirikitiya has forced Will to spend His Life with harlots before because she planned “Prince William will have been frequently practiced having sex with the harlots before He will come into my life. Thus, when He comes into my life, He will be an expert in having sex!” ...

... Angie. Prostitute Sirikitiya never loves Will. She just wants to try having sex with “The Son of God”. If she had sex with Will, not so long she would feel bored, then she would change her partner to have sex with from Will to other men!”

After I had finished typing the truths The Father told Me earlier, I heard “**เธอบอกเด็กทำไม!?**” or can be translated in The English Language “Why did you tell these truths to Angie!?” and “**ฉันเป็นผู้หญิงสมัยใหม่!**” or can be translated in The English Language “I am a modern woman!”
