

Some truths of them and their co-workers

(25 December 2025)

(Please read them all.)

The Father Almighty or Allah has told Me;

“Angie. Prostitute Sirikitiya made appointments with her friends and her American co-workers to lie to good foreign reporters “When Sirikitiya was a teenager, she was nice and tidy!” But the good foreign reporters have their own skills to check the information!”

...

The Father has told Me;

“Angie. Because You told everyone the truths of Chitthip Manoban, the mother of Liza Blackpink, and You asked him “What work else which women who frequently go to a hotel, work?” ...

... So, Angie. To conceal their dark truths, Chitthip, Liza, Marco Bruschweiler, and all Thai people made appointments with one another to lie to foreign people and the good foreign reporters “Chitthip frequently went to a hotel because she worked for the hotel as a staff!” But the good foreign reporters have their own skills to check the information!”

...

The Father has told Me;

“Angie. Liza Blackpink has been good-looking and slender because she and her family have ordered Me. But they, all South Korean people, and all the Thai people made appointments with one another to lie to the foreign people and the good foreign reporters “Lisa has been good-looking and slender because of surgery!” But the good foreign reporters have their own skills to check the information!”

...

“Pad”, a maid in a house in My village who said in 2012 after the wedding ceremony of Prince William and Kate not many days “The story has gone on like this. Thus, Angie will not easily marry Prince William surely!” Then, she laughed at Us loudly, makes merit every morning.

The Father has told Me;

“Angie. Pad makes merit every morning with a purpose of after the good foreign reporters will have done their Missions, they will get the fake information “Pad is moral!”. But the good foreign reporters have their own skills to check the information!”
