

Something I would like Prince William to approve ***(16 April 2024)***

Will, I would like to consult you about My new plan. Because budget which we will design and will decorate Our 2 New Homes in Thailand in Wales style and in Bath style for Our staff can be changed to be more useful for other purposes, so, I would like to design and decorate just only My New Home to be appropriate and ready to move to the area of your palace in London to help the pimp kings of Thailand, the satanic Chakri dynasty, and all Thai people to know that I belong to you, The British Monarchy, British people, and the UK ❤️ 😊😊❤️ , and I, My Parents, and My Group never want to live Our lives in Thailand.

Whereas, for Our 2 New Homes in Thailand for Our staff, I would like to design and decorate The Homes by IKEA furniture Thailand to be ready for Daddy Almighty to Move The Homes to Wales and Bath and to use His Miracles to Decorate Our Bridal Homes in Wales style and in Bath style by British furniture to be the wedding gifts from Him for Us 😊😊.

Will, I believe that the budget for Our 2 New Homes can be changed to be expenses for Our staff when we are in Thailand. We will sue the pimp kings of Thailand, the satanic Chakri dynasty, all Thai people, and all evil foreign people for compensation and interest later. And I believe that Our staff understand Us ❤️ 😊😊❤️.

Will, other British people are in deprivation and poverty, so as their royal family, the money of Us should be spent economically ❤️ 😊😊😊😊❤️ .

However, Will, I promised that after you will have called Me, I will not bargain any **foreign** merchants or any **foreign** businessmen for their goods and I will not “crazy” about sale prices for any **foreign** goods which **all** their costs will return to their homeland anymore even though I will feel much lose ... Haha ❤️ 😊😊😊😊❤️

Will, will you approve? ❤️ 😊😊😊😊❤️

❤️ A Lots of Love ❤️

❤️ Angie Wales ❤️
