

South Korean people

(27 March 2025)

(I intended to write and post these truths on My Website on 26 March 2025. But all the South Korean people ordered The Father Almighty or another name is Allah to make Me feel sleepy at night of 26 March 2025 because there is a verse in The Bible that told everyone “666” is a number of devils! After you will have finished reading the following truths, you will know what all the South Korean people are afraid of! ☹️)

I would like to declare that South Korean people are “โคตรเหี้ย” and “น่าขยะแขยง” or can be translated in The English Language “so very much satanic” and “disgusting” the same as all Thai people. Two of the phenomenal cultures of Korean people are “envy” and “screw”. **South Korean women pretend to be cute, but in reality, they are “decay inside”**. The Father Almighty or another name is Allah told Me “Angie. South Korean women are screw from they were young. And when they meet good women, they **envy, abhor, and cannot bear!**” The Father also told Me “Angie. Do not think that South Korean women will become good after they marry. In that after they marry, they will be screw **more than** before they marry!”

An example of the so very much satanic and the disgusting of South Korean people is that they have ordered many brands I love to select them to be presenters and/or brand ambassadors because they know that I would announce that I will not buy and/or use products which are Korean brands, made in Korea, and/or Korean people are presenters and/or brand ambassadors. The first I know was Pepsi (but they stopped), next, Tommy Hilfiger, then, Calvin Klein. The latest is Lay’s. They have also ordered Zanzea that is one of My most favourite brands on app Lazada to advertise that many of their clothes which South Korean people know that I want to buy are Korean style.

I would like you to know that I started to buy clothes from Zanzea which advertised that they are Japanese and Korean styles because Japanese style is one of My Most favourite style. But I will not definitely wear clothes from anywhere that advertises that they are Korean style only. **I am not Korean style and will not definitely be, in that Korean style is the style of so very much satanic, disgusting, screw, and “decay inside” but pretending to be cute!**

I have felt abhor South Korean people because I never did any bad deeds to them before but what they have done to Me, Prince William, King Charles, Prince Harry, The Soulmate of Prince Harry, The British Monarchy, British people, and My All alliances such as Muslims. The Father has told Me “Angie. South Korean people have done the worst to You like these because You are The Best Who are Virgin, so they envy You. They also do not strongly want to purify their minds and stop doing sins and mortal sins such as they do not really want to stop eating meats and being screw!”

The Father has also told Me “Angie. All the South Korean people agreed to work with pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all the Thai people, all evil foreign people, and their co-workers **to blacken** Will, Harry, Daddy Charles, Grandma Elizabeth, Grandpa Philip, The British Monarchy, British people, and the UK. For the purposes, they prepared many things such as “Burning Sun Club”!”

I would like brands that I love such as Calvin Klein, Cider, Evita Peroni, Lay’s, Marks & Spencer, Pepsi, Tommy Hilfiger, Vigny, and Zanzea to be patient. The Father has told Me “Angie. The Korean people have the time to laugh **not long**”. And ***The Father and I will be The Best Witness for every brand which is a victim of the Korean people not only at civil courts and at criminal courts but also at Muslim courts.***

By the way, The Korean people planned to **alibi** “We are blackened. If we did, why we let Angie tell everyone that we did?”

Last, The Father has told Me “Angie. ***Not only all the Thai people will die in hell and the eternal flame forever because of their wickedness but all the Korean people both all the South Korean people and all the North Korean people also. And all Mexican people too***”. ***A country which The Father still has not confirmed to Me that all the citizens work the plan or not all the citizens is Australia.*** But The Father told Me “Angie. Australia was a land of prisoners. Scores of Thai people live in Australia. In fact, the story of “Go Ask Alice” happened in Australia but Australian people ordered Me to change information in the book from happening in Australia to be happening in the US to blacken American people. The Holy Spirit has told Will what Australia is, so Will feels: I do not know what it is called in The English Language but it is called in the Thai language “อี๊ดอี๊ด” when He goes to Australia!” By the way, The Father has told Me “Angie. **Many** Chinese people and **many** Indian people work the plan too but **not all the citizens of the countries** work the plan!”
