

Suppose We married each other

(28 July 2024)

(I started to write this topic on 1 June 2024 and stopped writing the topic 2 days later because all Thai people especially Thai men do not really want Me to remind Prince William of these issues. Therefore, from 1 June 2024 to 28 July 2024, I was not controlled to masturbate. However, The Father Almighty or Allah reminded Me of a nice BBC reporter who said the name "Amilia" on BBC News. So, I started to write the topic again on 27 July 2024. But I finished writing the topic and posted it on My website on 28 July 2024.)

Will, I would like to straight talk to You ...

... Suppose We married each other, and We had a daughter, suppose her name was Amilia and she was only 3 months ...

... One day, while We were walking at a public park, 3 men whose bodies were bigger than You took Our baby from Your hold and yelled Us "Let us look after her!". Then, the 3 men ran away out of the park with Our baby. ...

... As quickly as possible, I ran following them to take Our baby back. But the voice told You "Will, do not be hurry. Just walk!" ...

... As fast as possible, I followed the 3 men into a house to help Amilia while You were just slowly walking follow Me later. ...

... When You almost arrived the house, I shouted "Will, help Me, they are killing Our baby!". But the voice told You "Will, be patient. Just wait. If Your baby is killed, she will come back to life!" ...

... Next, I shouted louder "Will, help Me. They started to sexual harass Me!" But the voice told You "Will, be patient. Just wait. We need to wait and see "Will Angie have any sexual emotions with the 3 men?" ...

... After that, I screamed out the loudest until My voice ran out and cried "Will, help Me. They started to rape Me!" But the voice told You "Will, be patient. It is not the time yet. Let the 3 piles of the 3 men go into the sex organ of Angie completely before!" ...

... So, Will, You replied the voice "Angie is My wife!" But the voice replied You "Will, You need to be patient to succeed in testing all humans before. If Angie was raped, You can still show Your True Love to Her. And if Angie dies, She will come back to life!" ...

... Will, what would Your decision be? Will, would You hurt My feelings by the advices of the voice and Your religious beliefs? And Will, would You let the voice and Your religious beliefs more important than the lives and the prestige of Mine and Our baby?

Will, why I asked You by the situation like this? Will, maybe You never look back to Your Own Yourself to consider Your deeds. Will, since You knew that I am Your True Soulmate, how many times You let pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, and all Thai people especially Thai men order Daddy Almighty to control Me to masturbate? ...

... Will, if You think "Masturbation is natural", why do You think letting other men imagine that they were masturbating with Your Own Soulmate and control Your Own Soulmate to masturbate along with them as their partner and pronouncing their names, is natural? ...

... Will, I do not know what else You did while they were controlling Me to masturbate along with them. But examples of the voices of the Thai men I heard while I was being controlled to masturbate are;

Will, while I was being controlled to hold My bust, something I heard such as "Her bust is fit for my hands" "What size of Her bust?" "Cup B" "She wears bras of Marks and Spencer size 38 B!" "Her appearance under Her clothes cannot help me to know that Her bust is big ... as fit as my hands can crush!" and "Were Her nipples strong?"

Will, while I was being controlled to touch My sex organ, something I heard such as "Her sex organ is as big as my palm" and "It is fit for my hands!"

Will, many times, while I was being controlled to masturbate, I felt like something push into and pull out of My sex organ, and I heard "Angie will know that having sex does not make activists feel pain in that a pile slides in Your sex organ flowingly!", so Will, I really know that at those times, some Thai men were imagining that their piles push into and pull out of My sex organ!"

Will, while I was being controlled to masturbate, something I heard such as "Let Angie pronounce the name "Pom"" "Let Angie pronounce the name "Art"" "Leng wants You to pronounce his name but he is still afraid" "Let Angie pronounce the name "Win"" and the voice of pimp king mha Vajiralongkorn "I want Angie to pronounce my name while She is masturbating!"

Will, Schwin Chearavanont has called himself "Will". So, Will, did You know why they controlled Me to pronounce the name "Will" while I was being controlled to masturbate? And Will, Daddy Almighty told Me "Angie, You did not know who else is "Will" that You pronounced while You were being controlled to masturbate!"

Will, many times, after they had stopped controlling Me to masturbate, something I heard such as “When will Angie have sexual emotion?” “Angie is 48 years old. Why has not She had any sexual emotions?” “Angie almost has the husband. Why has not She had any sexual emotions?” and “We really want to see Angie have sexual emotion to flirt the Thai men to have sex with Her!”

Will, if You do not really know how I have thought and have felt about the disgusting situations and You, as A Man, could You forecast how My Dad has thought and has felt about the disgusting situations and You?

Will, an important truth is that Daddy Almighty told Me “Angie, many times while You were being controlled to masturbate, Your Dad was forced to follow Your Mind!” Will, I mean that My Dad heard all the voices of the Thai men talking to one another while I was being controlled to masturbate along with them masturbating. And My Dad knew how I was after masturbation. But My Dad could not do anything to help Me. Will, do you think how the heart of My Dad has felt? Will, if You cannot still answer, try asking Prince Andrew “If you were The Dad of Angie, how would you think and feel about the disgusting situations and Me?”

Will, I am The Youngest Daughter Who have The Soul of The Holy Toddler. You are The Younger Son Who have The Soul of The Holy Boy. And We are True Soulmate created by Daddy Almighty. But why do You strongly believe “I must let Thai men control Angie to masturbate along with them masturbating to test humans”? ***Will, if You need to use a way of pimps to complete Your Missions, why Daddy Almighty sent The Younger Son Who have The Natures of Daddy Almighty and “True Soulmate”?*** And Will, are You mature to know how You have to treat Your True Soulmate?

Will, because pimp king Bhumibol and the satanic Chakri dynasty have controlled You, King Charles, and Harry to do as their minds, ***so Will, ask Yourself to notice Yourself: “Do I still have the feeling “love” My Soulmate, the feeling “possession” of My Soulmate, and the feeling “want to “protect My Soulmate””? Will, the feeling “love” his or her soulmate comes along with the feeling “possession” of the soulmate and the feeling want to “protect” the soulmate. Will, a truth is that no gentleman who truly loves his woman can stand other men “trample” the feelings and/or the prestige of his woman by the disgusting situations like the Thai men have done to Me! ...***

... Will, if You truly love Me, why do not You have the feeling “possession” of Me, and the feeling “want to “protect” Me” but let the Thai men do the disgusting deeds to Me like these? ...

... Will, how the reactions of Will Smith to Chris Rock were after Chris Rock had “trampled” the feelings of his beloved wife on the stage of 94th Oscar Awards on 27 March 2022? ...

... Will, I really think that if Your Natures were like the natures of Will Smith and other gentlemen, the story would be better quickly, and foreign people all over the world would not be suffered and would not be under torments for so long. But because Your Natures were not like the natures of Will Smith and other gentlemen, so the story has gone on like these, and tremendous foreign people have lived their lives under sufferings and torments for so far. ...

... Will, if You answer “I am The Future King. I cannot react like Will Smith”, Will, think twice: As a prince, the eldest son of King Charles, an heir apparent, and The Future King of the UK, You have much power to help Me, My Parents, and My Group ***to go out of Thailand to fly to The Holy Home*** to stop the disgusting situations which pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people especially the Thai men, and all evil foreign people have offended Me, right?

Will, once again: If You truly love Me, why do not You have the feeling “possession” of Me, and the feeling “want to “protect” Me”? Why You have not thought anything but just wait for “the end of the test” which is impossible in that this is not the test. Daddy Almighty actually wants to teach everyone to try his best to solve his problem by the right solution before praying to Daddy Almighty to request Daddy Almighty to help him. As a result, Will, the torments will be in the end after You and I will have been on a trustworthy royal plane to fly to The Holy Home.

Will, once again: I am The Youngest Daughter Who have The Soul of The Holy Toddler. You are The Younger Son Who have The Soul of The Holy Boy. And We are True Soulmate created by Daddy Almighty. But why do You strongly believe “I must let Thai men control Angie to masturbate along with them masturbating to test humans”? ***Will, if You need to use a way of pimps to complete Your Missions, why Daddy Almighty sent The Younger Son Who have The Natures of Daddy Almighty and “True Soulmate”?*** And Will, are You mature to know how You have to treat Your True Soulmate?

Will, a day in the middle of July 2024 in the morning, I saw My Dad cried. Nobody saw, but I saw. I also saw him sweeping his tears!

So, Will, when will You start to stop the disgusting situations?

Last, *Will, suppose We married each other and I completely were Your wife, would You still hurt My feelings by advices of the voice and Your religious beliefs? And would You still let other men do the disgusting situations to “trample” My prestige and My feelings because of the voice and Your religious beliefs?*
