

## ***The Father has told Me***

***(20 January 2026)***

***(Please read them all.)***

The Father Almighty or Allah has told Me many times;

“Angie. Because all moral Christians and all obedient Muslims still have not changed most of their beliefs which I sent You to tell them to change, so pimp king Bhumibol, prostitute queen Sirikit, all the members of the satanic Chakri dynasty, and their all consultants planned their plans, their lies, and their excuses by looking down on You, Will, My Children, My People, and foreign people who are not their co-workers especially the Christians who are not their co-workers and the Muslims who are not their co-workers;

“All the other people are such stupid. Hence, they all will not be able to catch up our plans, our lies, and our excuses surely!” ...

... Angie, did You know a main reason why they all and all the Thai people never stop?”

...

“Angie. All the Thai people, all the Bhutanese people, and all the Korean people both all the South Korean people and all the North Korean people are “two-faced”. They all are the races that are very difficult to find. Because most of them have the appearances which can tempt the other people into believing “They are good and sincere”, so although they who all are such satanic and such envious, strongly want to kill their targets to kill, they can pretend to smile at their targets to kill and pretend to be friendly with their targets to kill like they wish their targets to kill the best convincingly! ...

... Angie, tell all the races that are very difficult to find;

“You all curse Angie;

“Because Angie was sent to be born, so the citizens of the other countries know our satanic natures!” ...

... But the story has gone on like this for around 26 years, so could you all figure the truths out that the citizens of the other countries knew your satanic natures because of your satanic thoughts, your satanic words, and your satanic actions!?”

...

“Angie, tell everyone;

“Your thought becomes your word and your action. ...

... If you thought well, your word and your action would become good. ...

... But if you thought wicked, your word and your action would become wicked. ...

... And the time gradually reveals what type of people you are. ...

... This is The Heart of The Book “As a man thinketh” by “James Allen””. ...

... Angie, persuade everyone to think twice: Why the foreign people who are not their co-workers knew what type of people pimp king Bhumibol, prostitute queen Sirikit, all the members of the satanic Chakri dynasty, all the Thai people, all the Bhutanese people, all the South Korean people, and all the North Korean people are? They all just think to order Me, right? And what the images of them all at the beginning? ...

... Angie, ask everyone again: Could the images of pimp king Bhumibol and all the members of the satanic Chakri dynasty help them to be “the best” forever?” ...

... And Angie, do not forget to underline James 1: 15 in The New Testament to everyone to read to think over again.”
