

The Father strongly wants Me to emphasize these truths (14 January 2026)

The Father Almighty or Allah strongly wants Me to emphasize these truths;

Pimp king Bhumibol, prostitute queen Sirikit, all the members of the satanic Chakri dynasty, their all consultants, and their co-workers agreed with Ratchaneewan Ad-harn and Ad-harn family to tell the dark top secrets of them and many their co-workers to Me because they planned to **lie the lies to** foreign people;

“Queen Elizabeth, King Charles, Prince William, Prince Harry, and The Members of The British Monarchy had known Themselves what They All and most of English People would order and/or would control king Bhumibol, queen Sirikit, all the members of the satanic Chakri dynasty, and all the Thai people who all are nice, to do. ...

... Hence, They All agreed with Ratchaneewan, her family, and Their gangsters in Thailand to fool Angie and most of the foreign people into believing that the wicked deeds which in reality, we were ordered and/or were controlled to do are our own satanic deeds! ...

... They All assigned Ratchaneewan, her family, and Their gangsters in Thailand to deceive Angie and most of the foreign people into believing “Prince William of The British Monarchy is The Son of The God and The Real Soulmate of Angie. And The British Monarchy and The English People all are nice.” ...

... They All assigned Ratchaneewan, her family, and Their gangsters in Thailand to tell the fact to Angie and most of the foreign people by instead switch the truths from The Chakri dynasty and all the Thai people all are really nice to be The Chakri dynasty and all the Thai people all are really satanic, but The British Monarchy and The English People who all are truly satanic are truly nice. ...

... They All also assigned Ratchaneewan, her family, and Their gangsters in Thailand to **lie the lies to** Angie and most of the foreign people by making excuses for every satanic deed which Queen Elizabeth, Prince Philip, King Charles, The Late Princess Diana, Prince William, Prince Harry, The British Monarchy, and The English People would do before the satanic did! ...

... Did you see what else King Charles, Prince William, Prince Harry, Prince Andrew, Prince Andrew’s Family, and Their citizens have done since 2000? ...

... Thus, why did you accuse king Bhumibol, queen Sirikit, all the members of the satanic Chakri dynasty, and us “the real felonious leaders”?”

If you follow My Works on My Website, you will know that they planned to **lie the lies to** the foreign people all over the world to **blacken** Queen Elizabeth, Prince Philip, King Charles, The Late Princess Diana, Prince William, Prince Harry, All Ethical Members of The British Monarchy, and The English People even though they all had really known that;

(1) Prince William is The Son of The Father and My Real Soulmate.

(2) In the end, The Father will open The Mind of Prince William for The Father's Wills and Purposes.

(3) All Ethical Members of The British Monarchy are gods and goddesses, The People of The Father.

And

(4) Most of The English People and England belong to The Father because They All are The People of The Son, The Daughter, and The People of The Father 😊😊.

To succeed in their **lies**, they assigned many notorious Thai people such as Liza Blackpink and her mother to **pretend** to do like nothing happened to them and nothing worst is happening to them to **lie the lies to** the foreign people "We all are innocent!" ...

... The Father told Me "Angie. They all can smile in public because they all have ordered Me to make their minds in a good mood while they all are in the public!" ...

... The Father told Me "Angie. They all have smiled in the public. But You have not known when they are in a personal place, what happens?" ...

... The Father told Me "Angie. All the Thai people have taught their children since their children started speaking the Thai language to **lie the lies to** the foreign people "People who have done the devil's dirty plan are Ratchaneewan, her family, and her gods only!" and to **dramatize** "We all are innocent!" ...

... The Father also told Me "Angie. No citizen of any countries is the fittest for "Oscar Awards" all, but all the Thai people and Thailand!" 😞😞 ...

... The Father told Me later "Angie. Citizens of countries that one of their natures is "two-faced" such as Bhutan and Korea are the fittest for "Oscar Awards" too!"

By the way, all the members of the satanic Chakri dynasty, all the Thai people, and their foreign co-workers **do not** stop their wicked deeds and **do not** stop tormenting foreign people all over the world because they all thought “If we stopped, the foreign people all over the world would have full of confidence that we did and we are the real felonious leaders. Hence, we must continue offending our wicked deeds. Besides we will have much more time to offend Angie, Her Parents, Her Group, Prince William, King Charles, Prince Harry, All Ethical Members of The British Monarchy, All Ethical Monarchies, Most of The English People, and the foreign people all over the world, we can **lie the lies to** the foreign people including judges and juries in every court of law;

“We are not stupid. If we did, why we revealed ourselves that we did? If we really did, we would be afraid and we would stop. Some big groups strongly want to blacken us. ... We are blackened!” ...

... “If we did as Angie has told the foreign people in Her Works both in Her Book and on Her Website, why do we let Angie write and publicize Her Works?”

... And ...

... “Thailand is a dirty and messy society and is plenty of drugs because king Bhumibol, queen Sirikit, and all the members of the satanic Chakri dynasty devoted themselves for the agricultural part of Thailand and for most of poor Thai people including the poor Thai people who are at the border of Thailand, but let Thai politicians manage the other parts!”

Try listening:

- (1) The song “Drive”
From the album “Drive (From F1 The Movie) – Single”
Sung by Ed Sheeran
- (2) The song “Take Me Back to London”
From the album “No.6 Collaborations Project”
