

“The certain future” is not “It is completely determined”

(3 June 2026)

*(I wrote These Truths from 1 June 2026 to 3 June 2026, and posted Them on My Website on 3 June 2026 when is the birthday of prostitute queen Suthida in 2026. **Please read Them All.**)*

To create humans not to be the same as robots, Almighty or Allah gives free will to everyone. But He knows the last choice which each man will choose in each situation and for every situation with the result that He knows everything including everything which will take place in The World, or another sentence is that He knows all the certain futures even: If He did not turn back the time to 1987, what the certain future of The World would be?

(I said in the previous paragraph “He (Almighty) knows everything including everything which will take place in The World because He knows the last choice which each man will choose in each situation and for every situation” in that almost all of occurrences which are happened in The World including natural disasters and pandemics, are the results of the decisions of humans. Think over: Why “greenhouse effect”? Why “global warming”? Why “Tsunami”? Why “Tom Yum Kung crisis”? Why “Hamburger crisis”? Why “Sars”? Why “Bird Flu”? Why “covid-19”? Why “wars”? And why “almost a half of population in The World have been able to order Almighty”?)

But because pimp king Bhumibol, prostitute queen Sirikit, all the offspring of prostitute queen Sirikit, their all consultants, Ratchaneewan Ad-harn, and Ad-harn family planned to **excuse by lying the lies** to foreign people “Everything is occurred by The God’s Wills. Hence, we are completely determined to be and to do like these” not to take any responsibilities for their all wrongs which they offended Us, the good, and everyone who is allowed by Almighty to be in The New Better World. Thus, they have **tempted** the foreign people into believing “Everything is completely determined” and “The certain future is completely determined”

However, everlasting truths which are “Each man has his **own** free wills to choose his choices **by his own himself**” and “Almighty knows the last choice which he will choose in each situation and for every situation” **are not** the same as “Everything is completely determined” and “The certain future is completely determined” ...

... Think twice: Everyone has his **own** free wills to choose his choices in each situation and for every situation **by his own himself**, so **why** his own future is completely determined? **Who** determines his own future? And **what** determines his own future?

To help you to clearly understand these truths, let Me explain more;

At the time Almighty created The World, He knows “Pimp king Bhumibol, prostitute queen Sirikit, all the offspring of prostitute queen Sirikit, their all consultants, Ratchaneewan Ad-harn, and Ad-harn family will have used free wills **of their own** themselves to make the decisions **by their own themselves** to offend Me, My Daughter, My Son, My Children, My People, the good, and everyone who is allowed by Me to be in The New Better World until the last minute will come” But an important truth which Almighty truly wants Me to emphatically show to everyone is that **they all themselves used free wills of their own themselves to choose their last minute by their own themselves at the start!**

Whereas, it is completely determined that in the end, Almighty will turn back the time to 1987 as agreements which they all themselves used free wills **of their own** themselves to make with Almighty **by their own themselves** at the start. And once again: Because Almighty knows the certain future, so He knows at the time He created The World what else they all themselves will use free wills **of their own** themselves to agree with Almighty **by their own themselves** to become the agreements at the start! ...

... And it is completely determined that after the new 1987, they all and their all co-workers will not be in The New Better World to be able to use free wills of their own themselves to make any decisions in any situations by their own themselves anymore. Because before the new 1987, they have used free wills **of their own** themselves to make the decisions **by their own themselves** to offend Us, the good, and everyone who is allowed by Almighty to be in The New Better World until **their** last minute will come.

After you read This Topic until this line, could you notice something **causes** “It is completely determined”?

This is A Main Reason why it has The Word **“determine”** which can be meant both **“making a decision”** and **“fix (set)”**.

A significant truth to help you to clearly understand these truths more is that **Almighty has warned everyone** whom they have enticed to work the plan **“If you worked the plan, in the end, what would happen to you?”**

Therefore, once again: Could you notice something **causes** “It is completely determined”?

And once again: Everyone has his **own** free will to choose his choices in each situation and for every situation **by his own himself**, so **why** his own future is completely determined? **Who** determines his own future? And **what** determines his own future?

Did you know why it has The Word **“determine”** which can be meant both **“making a decision”** and **“fix (set)”**?

Wicked Buddhists may try to continue fooling disciples of The Other Religions “Buddha teaches Buddhists “Everything is determined””. But to fool the disciples, they do not explain knowledges of Buddhism **“Everything is determined by “Karmas” which are one’s deed by one’s action, one’s word, and/or one’s mind”** and “Karmas which determine one’s life are both “old karmas” which happen in the previous life and “new karmas” which happen in this life,” Whereas, I will teach everyone in The New Better World **“old karmas” happen in the previous life and every minute in the past**, but **“new karmas” happen at present and every minute in the future.**

(For all moral Christians to think over: **“Law of Karma” is “Bearing of fruit”**. **As a result, if a sin or a mortal sin is not occurred by one’s mind, why it was written in James 1:15 in The Bible “Then, when desire is conceived, it gives birth to sin; and sin, when it is full-grown, brings forth death”?**)

Think twice once again: Everyone has his **own** free will to choose his choices in each situation and for every situation **by his own himself**, so **why** his own future is completely determined? **Who** determines his own future? And **what** determines his own future?

Did you understand that
 “The certain future” **is not** “It is completely determined”?

Note: If you always follow My Works on My Website, you will know that all the agreements which they all made with Almighty at the start, were agreed by their **own** minds that maliciously conditioned Almighty **“If You did not agree these all agreements with us, we will kill Angie!”**, and were agreed for their **own** purposes of **fooling** the foreign people “Everything is occurred by The God’s Wills. Hence, we are completely determined to be and to do like these” “This is a test” and “The God has controlled us to make all the agreements with Him!”. Their purposes were **“determined”** at the start because at the start, they had planned to handle “What if Angie survived?” not to take any responsibilities for their all wrongs which they offended Us, the good, and everyone who is allowed by Almighty to be in The New

Better World. Because they all knew from Almighty at the start that if I survive, they all will be sued by Sharia Law of The Muslim World which A Principle to judge is “An eye for an eye. A tooth for a tooth!” ...

... Did you understand why I explicated in This Topic “They all used free wills **of** their **own** themselves to (trickily) choose their choices **by** their **own** themselves!”?
