

The story will go on differently (23 December 2024)

If Prince William started to help Me before 2024 would come, the story would go on differently. Examples are;

(1) ***Because Prince William started to help Me before The Father Almighty or another name is Allah would stop following their orders***, so Prince William and Prince Harry needed to bring Me, My Parents, and My Group fly to The Holy Home ***at once*** after They came to get Me at Thailand.

(2) ***Because Prince William started to help Me before The Father would stop following their orders***, so The Mind of Prince William would be opened ***after*** We All would have been on a reliable plane in the sky and out of the territory of Thailand.

(3) Prince Harry would meet His Soulmate on the reliable plane. I mean that Prince Harry would meet His Soulmate ***after*** Prince William would have met Me.

(4) The Wedding Ceremony of Prince William and I and The Wedding Ceremony of Prince Harry and His Soulmate would take place ***after*** We All would have gone out of The Holy Home.

(5) ***Because Prince William started to help Me before The Father would stop following their orders***, so foreign people and countries who helped Prince William to help Me, My Parents, and My Group to go out of Thailand ***would be tormented***.

(6) ***Because Prince William started to help Me before The Father would stop following their orders***, so pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, all evil foreign people, and foreign people who work the plan with them would be able to ***increase*** natural disasters, conflicts, wars, bloods, and deaths to happen as their minds ***especially in The Muslim World. In that they all knew that The Father aimed Sha-re-ah Law of The Muslim Courts to serve their all victims.***

And

(7) ***Because Prince William started to help Me before The Father would stop following their orders***, so everyone would see “bearing of fruit in this life” or another word is “karma in this life” after We All would have been at The Holy Home.

But because Prince William is The Future King of the UK, so He needs to carefully consider a problem **every side, wider, and farer**. So that, after Prince William, King Charles, Prince Harry, The British Monarchy, and Their consultants had consulted one another, they all agreed to wait for Christmas Day 2024 **for the safety of every side** with the result that **the story will go on differently from the story which would be earlier** 😊😊😊😊.
