

***The truths Your attorneys have to point a judge to see
(The perfectly updated version of 6 January 2024)***

(Please intentionally read them all.)

Daddy Charles, Will, and Harry, sir. I told You “If the woman whom You married answers a judge “I followed the orders because I am not sure if I did not follow the orders, what would happen to me (and/or other people)”, it means she accepted “I did everything **by my own decisions**””

So, Daddy Charles, Will, and Harry, sir. **Your attorneys may worry “If she can point the judge to see “I made my own decisions like those because I was forced”, how will we do?”**

Daddy Charles, Will, and Harry, sir. Because for criminal law, criminal judges consider an intention of a defendant to sentence the defendant, so the answers are that **your attorneys have to point the judge to see “She is a harlot (and/or a devil)” before**. (Please review the topic “How to request a judge in Your country to order “The marriage of I and the harlot is void” without any investigations?” (The perfectly updated version of 5 January 2024) again.) ...

... After that, Daddy Charles, Will, and Harry, sir. Your attorneys have to point the judge to see **“Other people made decisions like those because they are “humans” but the woman whom You married made decisions like those because she is “a harlot” (and/or “a devil”), so her intentions and purposes of making decisions to do or not to do are “wicked” ...**

... And Daddy Charles, Will, and Harry, sir. **It will be the best for our court cases, if your attorneys can point the judge to also see;**

For offences which she had offended before she married You;

“Many humans made a decision to be passed over such as Amy Winehouse, Michael Jackson, Whitney Houston, and Chester Bennington, and many humans made a decision to be confronted “disasters” in their lives such as Phil Collins. But **she is a citizen of our country who at that time was a girlfriend of our prince (or our king). If she has pure intentions and pure purposes (to do or not to do), why did she make decisions like those?”**

For offences which she offended after she had married You;

“Many humans made a decision to be passed over such as Amy Winehouse, Michael Jackson, Whitney Houston, and Chester Bennington, and many humans made a decision to be confronted “disasters” in their lives such as Phil Collins. But **she was a member of our royal family. If she has pure intentions and pure purposes (to do or not to do), why did she make decisions like those?”**

For offences both she had offended before she married You and offences she offended after she had married You;

“She is a harlot (and/or a devil) and has worked the devil’s dirty plan too, so she can order The Father Almighty to force our royal family and us with the result that her intentions and purposes of making decisions (to do or not to do) are “so very much wicked””

Daddy Charles, Will, and Harry, sir. I would like to underline the truths again: You and Your attorneys can do processes which I advised You earlier **without** any investigations. **Just prepare many things I advised You in the first page and the second page of the topic “How to request a judge in Your country to order “The marriage of I and the harlot is void” without any investigations? (The perfectly updated version of 5 January 2024)” to show to the judge. (Do not forget to list what else You, Your family, and Your beloved compatriots heard before the wedding ceremonies, in the wedding ceremonies, and after the wedding ceremonies, and You All and Your beloved compatriots can remember to show to the judge too.)**

😊😊 “Good Luck ... See You All soon” 😊😊
