

The truths of David Cameron

(4 November 2025)

(Please read them all.)

Before I wrote a draft of this topic, a voice of a woman had asked Me “Do You dare enough for telling foreign people “David Cameron is “the principal person” (“the big culprit”) in the UK”? And I thought “They dared to tell Me the truths of David Cameron as the allowance of pimp king Bhumibol, prostitute queen Sirikit, pimp mha Vajiralongkorn, and the satanic Chakri dynasty advised by Prayuth Jun-o-cha. Why do not I dare to tell these truths to the foreign people? ☺☺”

The next paragraphs are the truths of David Cameron which The Father Almighty or Allah was allowed to tell Me;

In the period of the time when I just started to know “Prince William of The British Monarchy is My Real Soulmate”, The Father frequently told Me “Angie. David Cameron is “the principal person” (“the big culprit”) in the UK” “A Thai politician who enticed David Cameron to work the plan is Abhisit Vejjajiva because both of them are alumni of Eton College and University of Oxford but they all aim to blacken Will and Harry because Will and Harry are alumni of Eton College too” “After David Cameron had agreed to work the plan, he was allowed to send his thoughts to talk to pimp king Bhumibol” “David Cameron himself chose Kate Middleton to “kill” Will by acceptance of pimp king Bhumibol, prostitute queen Sirikit, pimp mha Vajiralongkorn, and the satanic Chakri dynasty!” And “Queen Elizabeth knew what David Cameron has done but She was fooled “This is a test. So, We have to let them offend Us before””

The Father underlined the truths of David Cameron to Me while I was reading many pieces of the news about Prince Andrew on 3 November 2025 in the morning;

“Angie. “The principal person” (“The big culprit”) in the UK who has leaded most of British politicians, most of Scotland Yard, most of British government officers, and British people who wish The British Monarchy maliciously to offend Prince Andrew, His Family, and The British Monarchy like these is “David Cameron!””
