

The truths of “Like” or “Dislike”

(9 July 2026)

(Please read them all.)

Almighty or Allah was allowed to recently tell Me;

“Angie, because The Mission which is to take You, Your Parents, and Your Group out of Thailand is The Mission of Will, Daddy Charles, Harry, Harry’s Soulmate, All Ethical Members of The British Monarchy, and Most of English People, so to prevent Your Parents Who have “Adult Hearts” not to bring You Who have “So Young Heart” out of Thailand without Your Group before the fittest time will come, Your Parents have been put the feelings “like” Thai foods and many things of Thailand on Themselves since They were born. ...

... But after Will will have called You, I will restore Their Real Feelings Which They really feel in Heaven to Them and Your Group 😊😊 ...

... Whereas, the satanic will **excuse by lying the lies to** other people “All The 3 Men, The British Monarchy, Most of The English People, and Their co-workers have ordered The God to put the feelings dislike Thai foods and many things of Thailand but like English foods and many things of England on Angie’s Parents and Her Group to see Them cannot stand living in “The Heaven on Earth” and abhor all the Thai people and Thailand. To succeed in Their orders, All The 3 Men have ordered The God to tempt Angie into writing The Topic “The truths of “Like” or “Dislike”” (9 July 2026) to be Their excuses before!”

And once again, Almighty had been allowed to also tell Me;

“Angie, I created Your Soul to be too young to know how You feel in that if Your feelings were “An Adult Heart”, You would find ways to move out of Thailand before the fittest time came. And what would happen to the country where You immigrated? Did You see that the satanic really knew at the start that Will is My Son and Your Real Soulmate, and in the end, I will open His Mind to help everyone to be sure about these truths but the satanic **never stop his plan blackening** Will (Your Love 😊😊), My People, My Citizens, My Country, and Our many alliances!?”

😊😊 Did you know the truths of “Like” or “Dislike”? 😊😊
