

The truths of May (or Maynie)

(23 May 2025)

An example of all Thai people who have had a luxury and comfortable lives currently because they order Almighty or Allah is Wasana Intasang, birth nickname is May, but current nickname is Maynie.

Wasana is described by interviews;

“Wasana Intasang, birth nickname is May, current nickname is Maynie, is the CEO of REVOMED Group and Group CEO of BENOVA Global. She has had an important role to help many Thai celebrities and many Thai creative people to be in the business world “effectively”. She has helped many brands to have a huge number of sales. And she has helped many Thai creative people to have their own businesses successfully.”

In the interviews, Wasana told everyone;

“I was born in a poor family. My parents are rice farmers. ...

... After I had finished a junior high school, my parents had no money to advocate me to be educated. ...

... So, I moved myself to earn money for my life in Bangkok, and started my first job as a waitress. ...

... While I was working as a waitress for a restaurant where is at Lang Suan, Bangkok, a customer gave me a tip 3,000 THB and a pair of ruby earrings. That made me realize taking care of customers with attentions. ...

... My next job was being a saleswoman to sell aluminum frames of windows and doors. My sales were high. Thus, Pacific Health Care gave me a chance to be a pioneer for their products in the markets of North-East of Thailand. ...

... I was diligent and work hard more than other staff, so my sales were very high. ...

... I worked for Pacific Health Care for a moment until I myself founded REVOMED (Thailand) which is my own company. Today, I have a luxury and comfortable life.”

Whereas, Almighty or Allah told Me;

“Angie. Wasana started to order Me to have everything in her life while she was a waitress for the restaurant at Lang Suan. So, the customer was controlled to give her the tip and the ruby earrings. And she started to sell drugs while she was being a waitress there because she could offer the drugs for customers in the restaurant. ...

... While she was being a saleswoman, she sold drugs along with the goods. And while she was working at Pacific Health Care, she returned men for buying her products by having sex with them with the result that later on, she has found her connections by being a prostitute for high-class Thai men and Thai politicians. ...

... She told everyone “I have usually gone abroad for businesses and travelling” But in reality, she has usually gone abroad to discover new foreign people whom she is able to entice to work the plan. She has advertised herself to Thai people and the foreign people “Because I work the plan, so I have everything I want in my life!” ...

... She has sold drugs and has used her legal businesses to launder money which she gets from her illegal businesses (such as selling drugs and human trafficking) and has worked as a prostitute along with order Me to make her good-looking and to have everything she wants in her life but to make You ugly, very fat, and have a hard life! ... And Angie. Do not forget to emphasize: Her businesses help her to be easy to sell drugs!”

Almighty or Allah also told Me “Angie. All people who order Me to have everything in their lives will get everything in their lives if they are much satanic. But this condition is up to their roles in the plan too. And everyone whom pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, their co-workers, and their henchmen have enticed to work the plan know these conditions!” And “Angie. These conditions are set up by pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, and all Thai people!”

Noticeable truths of Wasana Intasang, birth nickname is May, but current nickname is Maynie, which I found are;

1) Although her house is not at a village which I intended to buy My Homes after Prince William calls Me, a style of architect of the house is the same as The Homes I intended to buy. And its decoration is like the decoration in a western palace!

2) Her birth nickname is “**May**” But now, she calls herself “May**ie**”. And could you notice that “**nie**” is written like “**gie**” of “Ang**ie**”?

And

3) **She is a Buddhist but she does not accept that she was born in the poor family which the parents are the rice farmers and did not have any good chances in her life because she did something bad in her previous lives. But she has chosen to do satanic instead of do goodness and make much merits to adjust her own karmas of her lives!**
