

The truths of Starbucks Thailand ***(8 May 2024)***

A day in 2023, I ordered a glass of Yuzu Black Tea and a piece of coconut cake from Starbucks The Street Ratchada Branch from Line Man Application to be My afternoon supper. After I had had the supper, I felt like I have a sexual emotion for a moment.

On 26 April 2024 when was 78th Birthday of My Dad, I went to Starbucks Muang Thai Phatra Complex Branch to buy beverages, bakeries, and ice cream because the day was My Dad's Birthday and a promotion buy 1 beverage get 1 beverage free.

Before I would order beverages, bakeries, and ice cream, I had needed to top-up My money on My Starbucks card in Starbucks application on My mobile phone. And I remembered that the last time I went to Starbucks Chidlom Branch, the rest of My money in the card was not more than 50 THB. But on 26 April 2024, I found that My money in the card was "121" THB. After I had thought "The number "21" is the number that most foreign people believed "It is an identify number of Prince William!", I heard "Prince William offered You!"

I bought a glass of Yuzu Black Tea, a piece of coconut cake, and a scoop of vanilla ice cream to drink and to eat at the branch. And I took Home 3 banana muffins, 1 blueberry muffin, a glass of iced cappuccino, and 2 glasses of milk added caramel. Because of that, I needed to top-up My money in the card by Myself 800 THB.

Before I had gotten My beverages, I went to the counter to ask a staff of the branch "How can I know what My queue is?". A teenage female staff showed her extremely displeased face to Me and moodily told Me how to know My queue. She also told Me "Milk add caramel was being mixed".

Whereas, when she was going to start to put some ingredient in My milk, she stopped. At that time, I thought "I ought to go back to My table to wait". But Daddy Almighty told Me on 8 May 2024 at around 11:22 am "She stopped because she had heard "Do not put any substances in the glass right now because Kay is looking at you!" And "They have controlled You to go back to Your table!"

Later on, a male staff whom I heard "He is a manager" nicely severed a glass of Yuzu Black Ted, a piece of coconut cake, and a scoop of vanilla ice cream to Me. He also brought the take home orders to My table with a friendly smile.

After I had arrived My Home and drank 2 glasses of milk added caramel, I had got an extremely diarrhoea which pooh like dark yellow water around 5 – 6 times before I would send My Mind. However, I did not feel tired and could send My Mind normally. And the glass of iced cappuccino which My Mom had drunken made My Mom bloat and fart!

At first, I thought “It is because lactose in the milk” But the voices told Me “The condition of the pooh is not the diarrhoea from lactose!” “There is “croton tiglium” in the glasses of milk added caramel” And “The staff are offspring of Thai drug-sellers but they want a job!”

On 7 May 2024, I ordered a glass of Yuzu Black Tea from Starbucks At The United Branch from Grab Application. When I came to the first floor of My Home to pick the order, My Mom asked Me “What you ordered?”. After I had replied “A glass of tea”, although My Mom acted like she wanted to say something, My Mom did not say anything anymore. However, her face showed her concern. Daddy Almighty told Me on 8 May 2024 in the late morning “Your Mom wanted to tell You something she heard about the order. But pimp king Bhumibol and the satanic Chakri dynasty ordered Me to close the mouth of Your Mom!”

While I was drinking the beverage, I thought “It is more sweetly than ever but delicious!”

After I had finished drinking the beverage until the glass had been empty, I had got a dry throat, and felt like I extremely wanted to order the beverage one more glass to drink again. I felt that feeling for around 2 hours. So, I started to think “Or the beverage was put some kind of drugs!”

I believed that the beverage was put some kind of drugs because I awoke and aware all the night. I also had much power to iron My clothes until 8 May 2024 at 4:30 am.

Daddy Almighty told Me “The beverage was more sweetly than ever because a staff who mixed the beverage did not want You to feel drugs in the beverage!” “The beverage had amphetamines which Thai people use for being an ingredient in “Ya Baa”!” And “All Thai people use You as an experimental rat to know how their drugs work or to try testing their new drugs!”

It is not enough. From at dawn til the morning of 8 May 2024, I felt cold. Daddy Almighty told Me “The drugs in the beverage made You feel cold to want a hug from a man to have sex!” And I felt that for around 2 – 3 hours.

Daddy Almighty emphasized to Me again “Staff of the branch where is around area of Your Home are offspring of Thai drug-sellers because all Thai people knew if You order Starbucks from an application, you need to save delivery cost, and the offspring want a job!” And “All Thai people strongly want You to addict drugs!”

However, I had a meal at Starbucks Central World Branch and Starbucks Chidlom Branch many times, but I did not have any abnormal conditions.

I would like you to know that I still have not known what else My Mom heard in 2000. But while covid-19 was spreading, My Mom told Me once “My most fearful is that people will put poisons into foods and beverages for other people!”

By the way, I would like to spotlight the truth again: All Thai people will alibi like the reasons of Prince William and all good Christians “We strongly believed “We must follow the orders before”” And “We did not know If we did not follow the orders, what would happen to us!” to run away from the crimes and the felonies they have offended us.

Before I am finishing telling the truths in this topic, ***I would like King Charles, Prince William, and Prince Harry to carefully consider. Could you notice on 26 April 2024 when was 78th birthday of My Dad, My money in My Starbucks card was topped-up to be “121” THB and I heard “Prince William offered You” but after I had had the meal, I had got an extremely diarrhoea? And the glass of iced cappuccino which My Mom had drunken made My Mom bloat and fart? ...***

... King Charles, Prince William, and Prince Harry, sir. I told You All many times ***“The process of law will help Us to succeed in Our Missions. So, pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil people prepared many things for alibiing”*** And ***“Many foreign people including many creative people who are wicked and who are trouble makers agreed with pimp king Bhumibol and the satanic Chakri dynasty to lie to other people including judges and juries in every court of law to help pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people to alibi and to blacken Queen Elizabeth, Will, Daddy Charles, Brother Harry, The British Monarchy, and British people”*** ...

... So, King Charles, Prince William, and Prince Harry, sir. What You All must quickly do?

Last, *I would like all Thai people to remember in your dirty minds "What else you all have done to Me and My Parents will not definitely be in the end easily. At least, what else you all have done to Me and My Parents must be rebounded you all by Sha-re-ah Law of Muslim courts in that I am Allah's Messenger of the current millennium!"*

.....
