

***The truths of a court case between True Digital Group Company Limited and Prof. Emeritus Pirongrong Ramasoota  
(9 February 2025)***

I sent My Mind to tell you on 7 February 2025 and 8 February 2025 what The Father Almighty or another name is Allah told Me about a court case between True Digital Group Company Limited and Prof. Emeritus Pirongrong Ramasoota.

Whereas, after I had carefully considered, I found that the court case is just **a drama** to **tempt** Me and foreign people into believing “There are a lot of good Thai people” to **blacken** Prince William, The British Monarchy, British people, and the UK later.

How?

Pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, their all consultants, and all Thai people have exactly attempted to **fool** Me “Prof. Emeritus Pirongrong Ramasoota is “good” and “clean”. She directly does her duty and does not surrender to receive any bribes”

After I had believed their lies, they used The Voice of The Father to **deceive** Me “Pirongrong is one of the Thai people whom I will allow her to move herself abroad in the end”

If I believed that Pirongrong will be allowed but when the end comes and I and Prince William are at The Holy Home but Pirongrong is not allowed, Pirongrong and many Thai people will **lie to everyone by their strong voices** “The God told Angie and Pirongrong “Pirongrong will be allowed”. But now, she is not allowed because Prince William is not The Real Son of The God and The Real Soulmate of Angie. HENCH, Angie, Her Parents, and Her Group are still at a very dangerous place. Thus, The God does not allow “The right Thai people” to move themselves abroad and does not tell any truths to anyone!”

***After I had figured their plan out, I heard “Did you see Angie knows?”***

I really had full of confidence that they planned the plan above to **trick** Me and the foreign people into believing their lies after I had checked the biography of Pirongrong online.

Did you see their so very much attempt to manage to survive by **blackening** Prince William, King Charles, Prince Harry, Queen Elizabeth, Prince Philip, The British Monarchy, British people, and the UK? ...

... And did you see how so very much **tricky** they are?

...

**Note:** I forgot to tell you something important about the plan The Father told Me on 8 of February 2025 at night. And The Father underlined the truth to Me to tell you: "Angie, their all consultants told Pirongrong "To succeed in our plan, you must **pretend** to oppose the merger between True and Dtac before!""
