

## ***The truths of “male ego”***

***(29 July 2026)***

*(I wrote This Topic on 28 July 2026, but posted It on My Website and started sending It by My Mind to everyone especially All The 3 Men on 29 July 2026. Please read It All.)*

Several months ago, twice or thrice, I doubted a little “Or Will cannot easily accept “We are fooled into waiting for” because Will has a male ego the same as other normal men?”. But at those times, I answered Myself “I am different from the other women. So, Will must be different from the other men too!”

Whereas, 1 – 2 days before 27 July 2026, I little angrily thought “Why cannot Will accept “We are fooled into waiting for”?” Later on, on 27 July 2026 at 10:55 am, Almighty or Allah told Me;

“Angie, All The 3 Men have male egos. You have not known how western men show their male egos, but western women knew. ...

... Angie, Will is older than You but He is A Boy with the result that although He was created to have male natures to be able for You to teach all men, **in reality, He has a little male ego like Harry. Angie, these are not Will and Harry. All The 3 Men have been under control. The satanic has put huge male egos on Will and Harry, and Daddy Charles has been controlled to lead Will and Harry to have “the huge male egos” too to be an excuse of the satanic “We cannot accept our wrongs because of our egos!” ...**

... Angie, **because of the huge male egos**, so although All The 3 Men could notice that many people agreed with Your Explanations and Solution, All The 3 Men **have not been able to accept** “Our religion teaches many wrong beliefs” and “We are fooled into waiting for”, **but have let the satanic violently torment The Girls Whom Will and Harry truly love to suffering die, have let the satanic torment Most of English People and destroy England, and have let the satanic make natural disasters, chaos, and wars in Our World. Angie, Daddy Charles surrendered to lose His True Love by divorcing Mommy Diana because of His ego too! ...**

... Angie, **because the male ego causes many problems in Our World, so Queen Elizabeth and Mommy Diana were My selections for Will and Harry. Will and Harry were sent to be born as The Nephews of Queen Elizabeth, The Queen of the United Kingdom and the other common wealth realms, and also as The Sons of Mommy Diana, A World-wide Famous Capable Woman. And Mommy Diana supported Them to play sports too! ...**

... Angie, **remind Will and Harry of the teachings of Mommy Diana: “You must not use a male ego for The Woman Whom You truly love” and “The male ego will make You lose everything in Your Life!” ...**

... Angie, because the male ego causes many problems in Our World and because the situation has gone on like this, so it will be noted in The World's history newly "Male ego คือต้นเหตุปัญหาทั้งหมดทั้งมวลในโลกนี้!" or can be translated in The English Language "Male ego is the origin of all the problems in The World!" **instead of the old belief in The Bible** "Eva, the first woman, was the origin of all the problems in The World!"

Will, 2 Men whom I get close are Daddy Jamnong and Tu. Daddy Jamnong whose name means "A Will" the same as You, does not have the conditions like Yours. And Tu wanted to destroy My Virginity, so he needed to pretend to be a nice man. But Will, I really think that My Marriage Life **will not be definitely smooth** if I marry A Man Who has the huge male ego with the result that He is difficult to accept His wrong and hard to say "I'm sorry"

...

Will, a little.

Will, I really believed that You really knew that I truly love You so very much. I never want to win You. I just try to explain the truths to You by reasonable reasons and patiently wait for only You. But **why** You want to win Me? Will, does Your Love mean to win Your Love One every topic We have conflict with each other? Will, is it called "Love"?
