

The truths of reporters

(22 May 2025)

(I started gathering information for writing this topic on 20 May 2025 at around 5:15 pm. But I typed this topic from 21 May 2025 to 22 May 2025. And I posted it on My Website on 22 May 2025.)

On 20 May 2025 at around 5:15 pm, Almighty or Allah told Me names of foreign reporters who work the plan. Almighty or Allah also told Me “Angie. Foreign reporters who work the plan would have their own TV programmes”. But Almighty or Allah ended the information by telling Me “Angie. **Since the end of November 1999, pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family have assigned Thai reporters to entice foreign reporters and foreign people who want to be reporters to work the plan. Examples of the Thai reporters are Suquan Bulakool (Viworakit), and Suthichai Yoon!**”

After that, Almighty or Allah told Me “Angie. **Not only Suquan and Suthichai who are professional and famous in Thailand are assigned to entice the foreign reporters and the foreign people who want to be reporters to work the plan but also many Thai reporters who are professional and famous in Thailand. The Thai reporters have contacted foreign mass communication organizations and know many groups of foreign people. Therefore, the Thai reporters have enticed not only the foreign reporters and the foreign people who want to be reporters to work the plan but also many groups of foreign people. And after the Thai reporters had finished enticing the foreign people successfully, the Thai reporters assigned the foreign people whom they succeeded in enticing to entice other people in rows continually!**”

I strongly believe that many names of the foreign reporters that Almighty or Allah told Me are **the fools**. I mean that they do not work the plan but pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family strongly want to **blacken** them (because they cordial with Me and/or pity Me ☺☺.)

As a result, **in this topic, I am telling you examples of the Thai reporters whom Almighty or Allah told Me that they are professional and famous in Thailand but they work the plan by taking responsibilities to entice the foreign reporters, the foreign people who want to be reporters, and many groups of foreign people to work the plan. After I had finished collecting their names from going online, Almighty or Allah told Me “พวกนี้ทำหมด!” or can be translated in The English Language “All of them work the plan!”**

... I would like to throw a light on an important truth again: Almighty or Allah told Me “Angie. They have enticed many groups of foreign people to work the plan, not only the foreign reporters and the foreign people who want to be reporters!”

By the way, If you really know Thai society, you will know that Thai reporters must have powerful people to support his works, so he will not be afraid of exposing the truths (of the opposition of the powerful people!) the same as many CNN reporters and many reporters of their governmental channels have done!

Almighty or Allah told Me “Angie. Pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family just entice owners of businesses, executives of businesses, and/or bosses of businesses to work the plan. Then, the owners, the executives, and/or the bosses are assigned to entice their subordinates to work the plan in rows continually. And 2 of the natures of all Thai people are that they are ready to do anything to manage to survive even the dirtiest tricks and they love to adulate the higher.”

And Almighty or Allah told Me “Angie. 2 of the main, big, and important groups that are assigned by pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, and their consultants to entice foreign people to work the plan are Thai businessman, Thai businesswomen, and Thai reporters that include officers of The Government Public Relations Department!”
