

## ***The truths of some wicked British people***

**(5 January 2026)**

**(Please read them all.)**

### **The truths of Leona Lewis**

The Father Almighty or Allah has told Me;

“Angie. Leona Lewis became a famous singer because she has worked the plan with pimp king Bhumibol, all the members of the satanic Chakri dynasty, all the Thai people, all evil foreign people, and their co-workers to overthrow The British Monarchy. She is assigned to sing the song “Bleeding Love” and “Better In Time” to fool You and foreign people “Thanathorn Juangroongruangkit, Pita Limjaroenrat, Piyabutr Saengkanokkul, and their party were gods, are nice, and want to help Us!”

### **The truths of Richard Davies and Faye Stevenson-Davies**

After I had read the news “Richard Davies and Faye Stevenson-Davies who are British people come from mid-Wales, won double jackpots for national lottery.”, The Father told Me;

“Angie. Richard Davies and Faye Stevenson-Davies who are a couple have worked the plan with pimp king Bhumibol, all the members of the satanic Chakri dynasty, all the Thai people, all the evil foreign people, and their co-workers for a long time, so they won the double jackpots to entice foreign people who want to order Me to be lucky like them to work the plan. ...

... Angie. The couple are assigned to pretend to die. After their funerals will have passed, their bodies will be moved from their coffins to Thailand by Me. After that, their wicked work is that to lie to foreign people so as to blacken The British Monarchy “The British Monarchy ordered The God to kill us in that we really knew that The British Monarchy is the real felonious leader!”

...

I would like to emphasize the truths The Father has told Me again;

“Angie. Most of British people from Northern Ireland, Scotland, and Wales want The British Monarchy to be overthrown. So, they have worked the plan with pimp king Bhumibol, all the members of the satanic Chakri dynasty, all the Thai people, all the evil foreign people, and their co-workers to hurt most of English People, and to destroy England. One of their works which they are assigned to do is that to lie to the foreign people to blacken The British Monarchy and most of The English People!”

I would like to tell good English state attorneys, good English attorneys, good English lawyers, and good English people that to fight against blackeners in every court of law, you all have to point judges and juries to see an important truth:

“Our Heavenly Father let foreign people all over the world call England “The country of gentlemen and ladies” for a long time, but let the foreign people all over the world call Thailand “The prostitute country” for a long time too. ...

... And one of the ways to prove that the names of the countries came from real lives of people in the countries, is that proving DNA of Thai children who have claimed “My father is a western man!” to know whose sperm was conceived! ☺☺☺☺
