

The truths of the US government

(11 February 2026)

(I wrote these truths and posted them on My Website on 11 February 2026. Please read them all.)

I used to think that two of the natures of the white are “direct” and “honest” and many Hollywood movies which I saw when I was a teenager made Me use to think “American government officers are righteous heroes”. But because the fake evidences which the US government has made and has released to the public to blacken “Prince Andrew of The British Monarchy”, so I felt so disappointed with the US government by My Thought “Unbelievably what the pussy the US government is!”

Let Me tell you again what the US government has done with pimp king Bhumibol, prostitute queen Sirikit, all the members of the satanic Chakri dynasty, the Thai troop, and the US troop in order to help you to know why the US government, the US troop, pimp king Bhumibol, prostitute queen Sirikit, all the members of the satanic Chakri dynasty, the Thai troop, and all the Thai people never stop;

Pimp king Bhumibol assigned the Thai troop to ally with the US troop when the US troop looked for its troop base in Indo-China before 1960.

After that, high-level Thai soldiers started talking to high-level American soldiers about the devil’s dirty plan which is a plan to take over The World by drugs and illegal trades.

(The plan is about tempting people all around The World into being drug-addicts and being drug-sellers. Because when the drug-addicts want to retake drugs but they do not have any drugs to retake, they can do anything even killing their parents, their spouses, their children, and/or The Prophet to get drugs to retake. So, an owner of the drugs can order them to do anything as his mind. And if the people become drug-sellers, they will be the gangsters of the owner of the drugs. So, the owner of the drugs can order them to do anything as his mind too.)

Later on, high-level American soldiers talk to high-level American government officers about the plan.

And the US government, the US troop, pimp king Bhumibol, all the members of the satanic Chakri dynasty, and the Thai troop agreed to work the plan altogether!

Almighty told Me “Angie. The US troop enticed the UK troop and the troops in Europe to work the plan!” And “Angie. A plan to make wars occur to sell arms was thought by pimp king Bhumibol!”

In 1960, pimp king Bhumibol and prostitute queen Sirikit visited not only the US, but also the UK and Europe to survey what they all could do in the UK and Europe.

On 4 August 1962, Marilyn Monroe was murdered because she was a decoy of the US government but knew about the plan a lot. (I noticed a video clip which showed her disrespect to Queen Elizabeth. Almighty told Me “Angie. Her deeds were like those because she had known that the US government is a co-worker of pimp king Bhumibol and all the members of the satanic Chakri dynasty aiming at overthrowing The British Monarchy and All Ethical Monarchy in Europe!”)

To blacken Prince Charles (at that time) and The British Monarchy, on 22 November 1963, JFK was assassinated because he was the first US President who had known all the plan but did not agree to work the plan!

(It means that All American people who became the US presidents after the assassination had known all the plan but agreed to work the plan all. Thus, they all could be alive!)

And “the hippie era” in the US was from the mid-1960s to the early 1970s when many hippies who wanted “nirvana” took drugs!

Pimp king Bhumibol and prostitute queen Sirikit let prostitute Ubolratana Rajakanya marry Peter Ladd Jensen who is an American in 1972 so as to entice other American men to work the plan by having sex by the thought of pimp king Bhumibol “talking on a bed is better than talking on a chair!”. And Peter was assigned to entice American businessmen to work the plan.

3 American businessmen who have worked the plan since before 2000 are co-founders of “Nine West” and Donald J. Trump.

Almighty told Me “Angie. The co-founders of “Nine West” thought “Our business is a business of king Bhumibol!” And they named their brands “Nine West” to be a signal among American co-workers of pimp king Bhumibol and all the members of the satanic Chakri dynasty” And “Angie. Donald Trump thought “It is good for cooperating with the plan because people welcome me everywhere I go!””

After I had noticed “Jay-Z sings the song “Rehab” with Amy Winehouse, then, Amy was passed on. And Jay-Z sings the song “Numb / Encore” with Linkin’ Park, then, Chester Bennington was passed on.”, Almighty told Me “Angie. Both Jay-Z and Beyonce work the plan. Jay-Z is one of the American creative people who has been in the US drugs circle involving with pimp king Bhumibol and all the members of the satanic Chakri dynasty since before 2000!”

Almighty told Me “Angie. Because Rihanna has worked the plan, so she became a famous singer and has her own businesses!”

Almighty told Me “Angie, You thought that pimp king Bhumibol uses a marriage to spread drugs circle for only normal people. But in fact, he uses this way for foreign creative people too. Angie. Bobby Brown fooled Whiney Houston into loving and marrying him. Jennifer Syme fooled Keanu Reeves into loving and marrying her. And Samantha Bennington and Talinda Bennington are harlots. Samantha fooled Chester Bennington into loving and marrying her. Talinda fooled and controlled Chester to love and marry her. In that she was assigned by co-workers of pimp king Bhumibol and all the members of the satanic Chakri dynasty to keep tabs on Chester not to speak any truths he knew out!”

So, do you think how numerous American who have worked the plan since before 2000 are?

When I was a young teenager, I heard a piece of the news “Prostitute Sujarinee who is the second wife of pimp mha Vajiralongkorn let young prostitute Sirivannavari take drugs to be easy to parent. And prostitute Sirivannavari was harmed by police dogs at an airport in the US because a bag she held has drugs!” However, no process of law was run! ...

... Why the US where has a strong law enforcement had a “phenomenon” like this? ...

... But you will not doubt if you know that there is the Thai police drug-selling gang. Many Thai police officers are taught how to investigate and interrogate by FBI Academy. And many officers of DSI (Thailand) are taught how to do special investigations by CIA!

... Later on, Princess Diana was assassinated in France where has the head office of “INTERPOL” which has Thai police officers and American police officers, in 1997 after I had requested Almighty to start My New Life abroad not many weeks!

Almighty told Me “Angie. After pimp king Bhumibol had known the mourn of Mommy Diana, he laughed at Queen Elizabeth, Daddy Charles, Will, Harry, The British Monarchy, Most of English People, All Ethical Monarchies, Their beloved citizens, and the good, and thought “The world will belong to us soon!””

Did you understand a minor reason why Almighty did not let Me start My New Life abroad after I had graduated a bachelor degree in 1997?

So, a question is “If the US government did not commit any felonies and crimes, why did he resign from International Court of Justice (ICJ) and International Criminal Court (ICC) in 2002?”

An eagle flies high alone in the sky but never flies follow any stray dogs on any roads. So, I doubted that is the US government a real eagle? Because I have thought ...

... “Unbelievably what the pussy the US government is!”

.....

Note: Just only the US government is the pussy. It does not mean that all the American citizens are the pussy.

I know that there are many American citizens who are nice. But because the American citizens do not have any Kings and/or any Queens to keep tabs on the US president and the US government what they have done to the beloved citizens, so Almighty sent Me to save the American citizens and the good all over The World.

If I was not sent to be born, the American citizens and the good all over The World would face their plans which Almighty told Me “Angie, nobody can bear their plans but only you!” to tempt the American citizens and the good all over The World into doing and/or into being as they want.

Almighty told Me “Angie, all American citizens in The New Better World will have their own royal family chosen by Me to protect them like My Son, My Daughter, and My People protect Their beloved citizens 😊😊”
