

The truths of the prices of My things

(30 August 2026)

(Please read It all.)

Since 30 August 2026 at around 10:30 am, Almighty or Allah has told Me;

“Angie, I Myself **do not** set up the prices of Your things by Myself. People who set up the prices of Your things are pimp king Bhumibol, prostitute queen Sirikit, all the offspring of prostitute queen Sirikit, their all consultants led by Prayut Chan-o-cha, Ratchaneewan Ad-harn, and Ad-harn family. If the prices of Your things are over the prices which they set up, Your things **will not be able to be sold**. ...

... Angie. This is a main reason why they agreed with Me at the start to let You run Your Business in the last years before All The 3 Men will know The Truths!”

I would like you to know that because I actually know their wickedly satanic natures, so I really know that they themselves allowed Almighty to tell Me who real people set up the prices of My things are. In that although they themselves set up the prices of My things, when the time I will receive the money from selling My things nearly comes, they **strongly envy** Me. So that, they themselves have told these truths to Me to see Me tell everyone to make good foreign people who aims to buy My things to be worry **what if** a problem occurred after they possessed My things.

I would like you to know that I set up the price 10,000 GBP for products which are never opened and/or are never used but have My Signature on them because I really knew that **since the end of November 1999, most of foreign people who became rich could become rich because they work the plan, but people who are good middle-class people and the good blue collar have had hard lives by the plan. As a result, I truly want to be a part of The World’s Society to help many good middle-class people and the good blue collar to have better lives ☺☺**.

However, for My things which I have used by Myself and/or have closed up Me, for some parts of My Body, and for My things which are made by Me, The Holy Spirit in My Soul has told Me that if I set up the prices as appropriate as they are, My things **will not be able to be sold**.

By the way, Almighty or Allah told Me;

“Angie, tell everyone who aims to buy Your things: I **truly know** the mind and the real intentions of each man. So, because **you knew Our Natures**, so do not be afraid of **honest** buying things which My Daughter sells even though you aim to gain much profits later 😊😊. ... **Why** the good cannot think about gain much profits from a business honestly? 😊😊 ... People who will be prosecuted are the satanic, their co-workers, the dishonest, and the tricky, not good people. And **I am The Fairest** 😊😊”
