

Their alibi about The Constitutional Court of Thailand (4 December 2024)

A day after 1st October 2024, while I was angrily thinking “Because judges of The Constitutional Court of Thailand work the devil’s dirty plan with pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, and all Thai people, so The Constitutional Court of Thailand does not allow anyone “to touch” the law about the pimp kings and the satanic dynasty of Thailand, right?”, I heard the voice of Prayuth Jun-o-cha once “After Christmas Day 2024, the legislative branch of Thailand will be let to amend the law!”

And on 4 December 2024 at around 7:00 pm, The Father Almighty or another name is Allah told Me ...

... “Angie, the legislative branch of Thailand will be let to amend the law because it was **an alibi** of the pimp kings and the satanic dynasty of Thailand and all Thai people to **blacken** Queen Elizabeth, King Charles, Prince William, Prince Harry, The British Monarchy, and British people ...

... “We have followed the orders the same as foreign people. And we really knew that people who ordered our Constitutional Court not to let anyone amend the law are Queen Elizabeth, King Charles, Prince William, Prince Harry, The British Monarchy, and British people. They have worked with one another to order this order to tempt everyone into believing “The kings and the dynasty of Thailand are the instigators who ordered this order” to blacken and overthrow the kings and the dynasty of Thailand!”

The Father Almighty or another name is Allah also told Me on 4 December 2024 at around 10:00 pm ...

... “Angie, The Criminal Courts of Thailand have sentenced Thai new generation who offended article 112 of the Thai criminal law which is about the pimp kings and the satanic dynasty of Thailand, like the Thai new generation are persecuted by the pimp kings and the satanic dynasty of Thailand and like all Thai people are tyrannized by the pimp kings and the satanic dynasty of Thailand because **they planned the alibi about The Criminal Courts of Thailand the same as the alibi about The Constitutional Court of Thailand!** ...

... And Angie, refer to The Constitutional Court and The Criminal Courts earlier, could you forecast what were their *alibis* about Thai people who have moved themselves to the UK especially the Thai people who have moved themselves to the UK for running away from a sentence of Thai law, to *blacken* Queen Elizabeth, King Charles, Prince William, Prince Harry, The British Monarchy, and British people?”

After you read this document to this line, could you help Me to forecast what else was the alibi?
