

Their plans leaded by the harlots named “Sirikitiya” and “Sirivannavari”

(9 November 2025)

(Please read them all.)

Before 3 November 2025, I sometimes doubted “There is something in the truths of prostitute Sirikitiya and the satanic Chakri dynasty involved with Will and The British Monarchy which is opposed to one another!”

On 3 November 2025, The Father Almighty or Allah emphasized My Doubt to Me “Angie, could You notice that the truths of prostitute Sirikitiya and the satanic Chakri dynasty involved with Will and The British Monarchy is opposed to one another?”

So, I could immediately figure the opposite out;

The Father was ordered to tell Me the truths “Prostitute Sirikitiya and many female members of the satanic Chakri dynasty have aimed at grabbing Will and Harry to have sex with”

But I could summarize from the truths The Father was ordered to tell Me “All members of the satanic Chakri dynasty including prostitute Sirikitiya and prostitute Sirivannavari really knew that in the end, they will have to fight against Will, Harry, and The British Monarchy at every court of law. So, they planned their plans and have run their plans to alibi in every court of law”

Therefore, if all members of the satanic Chakri dynasty including prostitute Sirikitiya and prostitute Sirivannavari really knew that in the end, they all will be the opponents of Prince William, Prince Harry, and The British Monarchy, and all Thai people will be the opponents of most of English People, why prostitute Sirikitiya, prostitute Sirivannavari, and many female members of the satanic Chakri dynasty would plan to grab Prince William and Prince Harry to have sex with?

Why?

I strongly believe that because of something The Father was ordered to tell Me is contrasted with one another, so all members of the satanic Chakri dynasty including prostitute Sirikitiya and prostitute Sirivannavari can excuse;

“If we knew all details of the future from The God like Angie is fooled to tell everyone, we had to know that in the end, we who all are innocent will be sued by victims of real satans and real devils. ...

... So, if Prince William, Prince Harry, The British Monarchy, and most of The English People were the real victims, what would happen to us in the end after we would have succeeded in grabbing Prince William and/or Prince Harry to have sex with? ...

... Although The God let foreign people call Thailand “The prostitute country”, we are not ordinary Thai people. We are princesses by birth of the best dynasty who devote all our lives to our beloved citizens. Why do you think that we are the playgirls or the harlots? ...

... The information which Angie, Prince William, Prince Harry, Prince Harry’s Soulmate, All Ethical Members of The British Monarchy, most of The English People, and many foreign people have heard about us are the lies. ... We are blackened!”

Another answer is that their another plan is “After we will have succeeded in grabbing Prince William and/or Prince Harry to have sex with, we will be able to use the natures of the harlots to tempt Prince William not into calling Angie and helping Angie, Her Parents, and Her Group, and to tempt Prince Harry not into calling His Soulmate and helping His Soulmate and Her Parents to make The Kid and The Girl hurt and anguished until They die, and we will be able to use the natures of the harlots to tempt Prince William, Prince Harry, and The British Monarchy not into suing us at any courts of law too!”

Did you know that prostitute Sirikitiya graduated from a faculty of art, prostitute Sirivannavari also studied art and fashion design, and prostitute Sirivannavari has spent most of her time in Europe too? Did you know that Prince William was ordered to study a bachelor degree and a master degree in a faculty of art and Prince Harry was ordered to graduate from Eton College with two A-levels (a grade B in Art) too? So, do you think who else ordered Prince William to study the bachelor degree and the master degree in the faculty of art, and who else ordered Prince Harry to study art? And what else is their purposes of ordering Prince William to study the bachelor degree and the master degree in the faculty of art, and ordering Prince Harry to study art? ...

... Whereas, although they planned their plans by the thoughts “The story will go on around 25 years as our lies” and “Angie and Prince Harry’s Soulmate will have died before the 25 years will come surely”, they planned to excuse “If our plans were like Angie tells everyone, why we planned our plans to help others to be able to easily catch our plans up?”

After you read My All Works until this line of this topic, did you know the natures of the harlots? And did you understand their plans led by the harlots named "Sirikitiya" and "Sirivannavari"?
