

Their some lies to blacken

(16 February 2026)

(Please read them all.)

Pimp king Bhumibol, prostitute queen Sirikit, all the members of the satanic Chakri dynasty, their all consultants, and their co-workers will use the period of the time when they all still have not made any mistakes in controlling All The 3 Men to **blacken** Queen Elizabeth, Prince Philip, All The 3 Men, All Ethical Members of The British Monarchy, Most of English People, England, and their targets to blacken by **the lies**;

“Prince William, The British Monarchy, and The English People spent the period of the time while they have waited for;

1) To order Nok and Their henchmen to put poisons into foods and beverages of Angie, Her Parents, and Her Group with the purposes of the deaths of Angie, Her Parents, and Her Group.

2) To severely torment Angie, Her Parents, and Her Group to suffering die.

3) To torment us and the good all around the world to suffering die.

4) To use Angie as Their tool to tell the lies about the Chakri dynasty, all the Thai people, and many foreign people on Her Website and by Her Mind to blacken us all.

5) To use Angie as Their tool to make excuses for Them, The English People, and Their alliances.

And

6) To continually make conflicts and wars occur all over the world to see England and its alliances get sales from selling arms.

After They All had been sure “Angie, Her Parents, and Her Group will not be died surely” but “Countless foreign people knew that they are fooled into waiting for the end of the world, Jesus, and The Judgement That will come in 4457, or after 2026: 2,431 years”, Prince William decided to call Angie to dramatize to truly love Angie to be Their lie “The real felonious leaders are king Bhumibol, queen Sirikit, all the members of the Chakri dynasty, all the Thai people, and Thailand!””

I would like to emphasize a significant truth again: Pimp king Bhumibol, prostitute queen Sirikit, all the members of the satanic Chakri dynasty, their all consultants, and their co-workers **assigned** Nok and their many henchmen to **use psychology** to Me and My Parents such as **pretending** to be in a good mood and periodical laughing at Us to **tempt** Me, My Parents, and the good **into believing one of their lies** “We are henchmen of Prince William and The British Monarchy, but You All still have not known this truth!”
