

Their some plans to continually detaining Me, My Parents, and My Group in Thailand

(16 April 2026)

(Please read them all.)

I am not sure but Almighty or Allah told Me;

“Angie, after Will will have called You,

1) You, Your Parents, and Your Group will be healthier, or You, Your Parents, and Your Group will be patients of diseases which Thai doctors can cure. Because all the Thai people are **afraid of** All The 3 Men and Our alliances will have an appropriate reason to tell pimp mha Vajiralongkorn, all the offspring of prostitute queen Sirikit, and/or the Thai prime minister to let You, Your Parents, and Your Group go.

And

2) Nobody will take any actions to kill You, Your Parents, Your Group, and English People who come to Thailand to take care of You. Because all the Thai people are **afraid of** All The 3 Men and Our alliances will have an appropriate reason to tell pimp mha Vajiralongkorn, all the offspring of prostitute queen Sirikit, and/or the Thai prime minister to let You, Your Parents, and Your Group go such as Thailand is the most dangerous country for You, Your Parents, and Your Group.”

Whereas, I believe that they will continually torment many foreign people especially the foreign people who cannot tell Us the truths of the torment at the time I, My Parents, and My Group are still detained in Thailand. Because they want all foreign people to know later “Some group of people still ordered The God at that time” to **lie to** the foreign people “Thailand did not fast let Angie, Her Parents, and Her Group go because we were controlled not to let Them go!”
