

Their targets to blacken can be blackened by them by both 2 ways!

(6 May 2026)

(Please read them all.)

Almighty recently told Me;

“Angie, after You had used the truths of swinging and having sex immorally in the Thai troop and in the Thai police to condition them, the Thai troop separated themselves into 2 groups: A group that does not want Will to call You within 15 May 2026 at 7:00 pm, and another group that wants Will to call You within 15 May 2026 at 7:00 pm”

I told you the reasons of the group that does not want Will to call Me within 15 May 2026 at 7:00 pm in The Topic “Whichever they all chose, they all have chosen by themselves!” (4 May 2026)

Whereas, on 6 May 2026 in the morning, Ad-harn family allowed Almighty to tell Me reasons of the group that want Will to call Me within 15 May 2026 at 7:00 pm;

“Angie. If they choose to let Will call You within 15 May 2026 at 7:00 pm, it is because they planned to **lie to** foreign people including judges and juries at every court of law;

“We have never offended swinging and have never had sex immorally in our circles. Prince William, The British Monarchy, and Their all consultants decided to let Prince William call Angie within the deadline of Angie because They All want to blacken us “Swinging and having sex immorally in the Thai troop and in the Thai police have been offended for a long time”” ...

... Angie. The Thai troop who agreed to this way agreed to this way because their truths about swinging and having sex immorally in their circles will be revealed in **only** courts of law and after they will have been in prisons or will have gone to Hell and Fire. It means that these truths of **almost all** of low-level soldiers and **almost all** of medium-level soldiers including low-level **female** soldiers and medium-level **female** soldiers **will not be** exposed by Me!”

Almighty knows the certain future including what the last choice of each man in each situation is. But the opposite of us still has not let Almighty tell their decision to Me. So, although Almighty told Me “Angie. **Because pimp king Bhumibol really knew that in the end, the Thai troop will be a main group to overthrow him and his family, so he needs to please most of the Thai soldiers including low-level Thai soldiers before**”, I cannot accurately tell you what way they choose because Almighty told Me “Angie. **Both 2 ways are advised by Prayut Chan-o-cha who has much power over the Thai troop. And All The 3 Men, All Ethical Members of The British Monarchy, Most of English People, England, and their targets to blacken can be blackened by them by both 2 ways!**”
