

There is no honour among thieves! (2)

(1 May 2025)

I started to know a method of pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family to entice foreign people to work the devil's dirty plan by thinking of ARS that is a leader of the companies which sell insect-killer products in Japan. ...

... I thought "ARS is one of the companies which kill other living things, so Thai people enticed him to work the plan easily" ...

... Then, I go online Google to know other companies which sell insect-killer products. ...

... After I had found 4 to 5 companies that their businesses are about insect-killer products, I found "Sherwood Corporation (Thailand) Public Company Limited" that is the biggest Thai company which produces and sells insect-killer products. ...

... After that, The Father Almighty told Me "Angie. Sherwood Corporation (Thailand) Public Company Limited enticed ARS and other foreign companies which produce and/or sell insect-killer products to work the plan" ...

... Next, The Father told Me "Angie, Thai businessmen enticed foreign businessmen whose businesses are the same businesses to work the plan ...

... Charoen Sirivadhanabhakdi and his family enticed Bernard Arnault and other foreign businessmen whose businesses are about beers, liquors, and wines to work the plan ...

... Dhanin Chearavanont and his family enticed foreign businessmen whose businesses are about producing and selling meat and whose businesses are about telecommunications to work the plan. ...

... Sherwood Corporation (Thailand) Public Company Limited enticed ARS and other foreign companies which produce and/or sell insect-killer products to work the plan. ...

... Choke Bulakool and his family enticed foreign businessmen whose businesses are about producing and selling milks which come from animals to work the plan. ...

... Thai businessmen whose businesses are about genuine leather products enticed foreign businessmen whose businesses are about genuine leather products to work the plan. ...

... All the Thai businessmen enticed foreign people who want to have a business the same as them to work the plan. ...

... Thai politicians enticed foreign politicians both foreign old politicians and foreign new politicians and foreign people who want to be politicians or want to “play a role in a politic” to work the plan. An example is Abhisit Vejjajiva who graduated from Eton College and the University of Oxford enticed David Cameron who graduated from Eton College and the University of Oxford to work the plan. ...

.. Thai police officers enticed foreign police officers to work the plan such as the high-level Thai police officers entice CIA, FBI, Scotland Yard, and Interpol to work the plan, and the Thai police officers enticed foreign police officers and foreign people who want to be police officers to work the plan. ...

... Thai soldiers enticed foreign soldiers and foreign people who want to be soldiers to work the plan. ...

... Thai government officers enticed foreign government officers and foreign people who want to be government officers to work the plan. ...

... Thai judges enticed foreign judges, foreign people who work in the justice circle, foreign people who want to be judges, and foreign people who want to work in the justice circle and to work the plan. ...

... Thai bankers enticed foreign bankers, foreign people who are in the bank circle, and foreign people who want to work in the bank circle such as head fund managers to work the plan. ...

... And pimp king Bhumibol and all members of the satanic Chakri dynasty enticed wicked members of foreign royal families and wicked royal families to work the plan. ...

... Because people who are in the same circle or who want to work in the same circle passes high-schools and/or universities and/or conferences and/or curriculums together, and/or they have a chance to meet one another, so they know each other and talk to together in the same (evil) topics, so they talk to together very easily. ...

... As a result, this method helps pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, and all Thai people to get a huge number of foreign people to work the plan in a short period of the time. ...

... And foreign main instigators are allowed to talk to pimp king Bhumibol and the satanic Chakri dynasty such as David Cameron was allowed to talk to them while he was choosing "Kate, her family and the parents of her children" to "kill" Will and overthrow The British Monarchy. And some wicked British politicians and some wicked American politicians who are the main instigators were allowed to talk to pimp king Bhumibol and the satanic Chakri dynasty while they were choosing "Meghan, her family and the parents of her children" to "kill" Harry and overthrow The British Monarchy. And the politicians including David Cameron have been able to send their thoughts to talk to pimp king Bhumibol and the satanic Chakri dynasty to consult one another and to report their works since they started working the plan!"

By the way, The Father confirmed the truths to Me on 30 April 2025 in the morning;

"Angie. Each of all ordinary Thai people assigned each of all evil and ordinary foreign people to entice other foreign people who can reform themselves by choosing the other foreign people whose names are the same as the evil and ordinary foreign people and they believe "I am very wicked. Thus, I cannot reform myself surely" to be easy to fool them "Your name is in The Wanted-Lists of The God the same as us" and to be easy to notice who else are in a line of their drug-selling gangs. Angie. This method helps pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, and all the Thai people to get a huge number of foreign people to work the plan in a short period of the time too!"

Before I am finishing telling you the truths in this topic, I would like to underline the truths which The Father told Me to emphasize: "Angie. Pimp king Bhumibol, pimp king mha Vajiralongkorn, and the satanic Chakri dynasty have worked with Ratchaneewan Ad-harn and Ad-harn family to let Me tell You the truths "Who else works the plan". In that *one of the natures of all the Thai people is "If we get a disaster, other people including our co-workers must get the disaster along with us!"*. And pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family are the Thai people. *One of their thoughts is "You work the plan with us. Why do you let us be sentenced alone?"*"

Did you agree with Me "There is no honour among thieves!"?
