There is no honour among thieves! (4)

The Father Almighty or another name is Allah recently told Me "Angie. **A country that works the plan is Vietnam**" However, The Father still has not told Me that most of Vietnamese people work the plan or all the Vietnamese people work the plan.

The Father told Me "Angie. **Countries that most of citizens or all the citizens work the plan are the countries that declare themselves "Our national religion is Buddhism!"** Angie, emphasize a significant truth: **"Three of the visible teachings of Buddhism are "Law of Karma" including "Law of Karma in this life", "Hell", and "Heaven"!"**

The Father told Me "Angie. **The type of humans who are taken down to hell and the eternal flame the most number is "the yellow!""**

The Father told Me "Angie. **Women are very envious. And Asian people do not like and/or do not admire people who are nicer and/or better and/or more talent and/or more successful than them!**"

The Father told Me "Angie, **could You notice that Japan has not only many gangs of Yakuza but also many seductive stars?**"

The Father also told Me "Angie, **one of the main reasons why pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, and their all co-workers have ordered Me to control Will, Daddy Charles, Harry, All Ethical Members of The British Monarchy, and many of the white to do many things as their minds is that they and all foreign people who work the plan will have an alibi "We were controlled!"**. And Angie, **because some pronunciations in the song "F**kin' Perfect" sung by P!nk are "Change The Voices in your hand. Make them like you instead" And "Strange yourself and we do that all the time. Why do we do that? Why do I do that? Why do I do that?", so P!nk can choose between telling the truths to help Us to fight against them at every court of law or telling the lies to help them to run away from their crimes and felonies."**

Did you know why some pronunciations in the song "Pretty Fly (For A White Guy)" sung by The Offspring are "Buddha stress"?
