

There is no honour among thieves! (12)

(16 August 2025)

(Please read them all.)

I am not sure that I told these truths to you, or not. But since early August 2025, The Father Almighty or Allah has emphasized these truths to Me;

1) “Angie, because of an order of pimp king Bhumibol, prostitute queen Sirikit, and the satanic Chakri dynasty, so King Juan Carlos I of Spain did a scandal. Pimp king Bhumibol, prostitute queen Sirikit, and the satanic Chakri dynasty are “screw” “decay inside” “very envious” and “wickedly satanic”, so they have felt fun and ecstatic to hurt all ethical royal families and their beloved citizens! ... Angie, now, Queen Sofia of Spain has thought of her husband so much.”

2) “Angie, since You were around 11 years old, You have known “Yakuza”. Since You were around 15 years old, You have known that the statistics of Japanese teenagers and Japanese young adults who suicided have been high. And You knew that now, Japan is full of “seduce stars” (Temptresses). But why do You think that the Japanese royal family are not drug-sellers but are good? And why do You think that most of Japanese people are good?”

3) “Angie, South Korean women have been “screw” since they were young teenagers. So, when they meet good women, they do not like the good women. They envy and abhor the good women. So, did You know their reactions after they had known that You were 24 years old but were still virgin and naïve and they had seen Your face at the first time?”

4) “Angie, when all harlots and envious women saw Your Face at the start, they all thought “น่ารักนี้ จะเอาให้ตายเลย!” or can be translated in The English Language “Angie is lovely. Thus, She must be died by myself!” ... Angie, Your Natures are not like them. You admire better women!”

And

5) “Angie, most of populations of the world in this era are wicked. I told You that around 3,000,000,000 people all over the world will be taken down to Hell and Fire. It means that almost around 1 people from 2 people will be taken down to Hell and Fire. People who are the origin of the problems are pimp king Bhumibol, prostitute queen Sirikit, pimp mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, and Thailand. And most of people who cause the problems are people in the east especially the people in the east who are Buddhists. ... Angie, most of the people in the east are different from You and most of people in the west. ... One of the natures of the people in the east is “pretence”!”

Did you agree with Me "There is no honour among thieves!"?
