

***There is no honour among thieves! (20)***  
***(A drama to alibi. That's why Anutin was chosen to be PM.)***  
***(6 March 2026)***  
***(Please read them all.)***

Around 1 month ago, a piece of hot news in Thailand was “Seranee Charnvirakul broke seven-year relationship with Chontida Asavahame after he had asked her to marry himself”

After that, there was the news “Seranee has gone out with some Thai women such as Pinsuda Tanphairoh, nickname Balloon, a Thai actress and model, and Antonia Porsild, nickname Ann, Miss Universe Thailand 2023”

Later on, the news was reported “Before the seven-year relationship was ended, Pek had requested Pleng to keep her wedding gown”

Could you forecast what else is an alibi of them and all the Thai people?

Before you will conclude what they planned to lie to foreign people including judges and juries at every court of law by the drama, shall we cursorily see their information?

Who is Seranee Charnvirakul?

Seranee Charnvirakul, nickname Pek, is a child of Anutin Charnvirakul, nickname Nhoo, the present PM of Thailand who married 3 times with 3 women. Pek is a child of Anutin and his first wife whose the marriage lives were from 1990 – 2013. He was born on 17 February 1996. He is a nephew of Chavarat Charnvirakul, a Thai mafioso politician. He studied at Millfield School, England. He graduated from Chulalongkorn University and got a master degree from Queen Mary University of London. Now, he is MD of Sino-Thai Engineering and Construction Public Company Limited (STECON).

Almighty or Allah told Me “Angie. Because Pek studied in England, so he was assigned to entice English people and foreign people to work the plan!”

## Who is Chontida Asavahame?

Chontida Asavahame, nickname Pleng, is the only one daughter of Chonsawat Asavahame, nickname Aey, a Thai mafioso politician who started pretending to die on 31 March 2023, and Nantida Kaewbuasai, nickname Tu, a Thai famous singer, whose the wedding ceremony was on 13 July 1994 and the marriage lives were from 1994 – 2013. Pleng was born on 15 December 1994. She is a niece of Wattana Asavahame, a Thai mafioso politician. She graduated from Chulalongkorn University and got a master degree from University of Westminster, England. She worked for the Thai entertainment industry. Now, she has her own business and planned to work for the Thai entertainment industry again.

Almighty or Allah told Me “Angie. Because Pleng studied in England, so she was assigned to entice English people and foreign people to work the plan too!”

(I had searched the information of Pleng from going online Google before I typed This Topic. At first, twice, I found that she studied in Switzerland too. But while I was typing This Topic, I went online Google to search her information about a school and/or a college in Switzerland again. However, it does not have Switzerland in her education profile anymore. How do you think about this point?)

Almighty told Me;

“Angie. Pek and Pleng have been assigned to dramatize like these since they were young. Because their grandfathers and fathers are mafioso politicians who are rich by selling drugs until they became “drugs lords”. Angie, could You remember a piece of the news of a newspaper when You just graduated a bachelor degree “Wattana Asavahame involves in outlaw crude oil”? And Wattana is the father of Chonsawat who is the father of Pleng! ...

... Angie. Pek will lie to the foreign people including the judges and the juries at every court of law “I and Pleng love each other. Thus, I asked Pleng to marry me. But I heard orders which ordered Me to spend my life with harlots before!” ...

... Angie. Could You guess Whom else Pek will lie to everyone that he heard that the orders belong to and the harlots have worked for? ...

... Angie. After Chonsawat, the father of Pleng, had started pretending to die, he moved himself into a Thai palace, and wait for a day to lie to You and the foreign people including the judges and the juries at every court of law. ...

... Angie. Could You remember after Chonsawat had divorced Nantida, he married Janie Tienphosuwan who is a Thai actress and model, and their marriage lives were from 2013 – 2014? So, Angie, could You guess what their lie else will be?”

Almighty told Me on 27 February 2026 at around 7:45 pm and on 6 March 2026 before 11:00 am “Angie. Prostitute Ubolratana Rajakanya allowed Me to tell You the truths earlier **to fool** Asavahame family and Charnvirakul family “Ad-harn family themselves told Angie the truths of yours” **to manipulate** the 2 mafioso families to kill Ad-harn family instead of the satanic Chakri dynasty and **to lie the lies to** the foreign people including the judges and the juries at every court of law “The real Thai felonious leaders (who work for The British Monarchy) are all Thai mafioso politicians and numerous Thai people who are gangsters in their drug-selling gangs, not us!” ...

... And on 6 March 2026 at around 11:15 am, after I had thought “I finished typing This Topic”, and had started to figure the truths out “Why Anutin Charnvirakul was chosen to be the Thai prime minister at the period of this time?” by the truths prostitute Ubolratana Rajakanya had allowed Almighty to tell Me earlier, Almighty immediately confirmed My Thought “Angie. **The lies** of the satanic Chakri dynasty **to manipulate** the 2 mafioso families and **to lie the lies to** the foreign people including the judges and the juries at every court of law earlier are mainly crucial reasons **why** pimp king Bhumibol, prostitute queen Sirikit, all the offspring of prostitute queen Sirikit, and their all consultants **chose** Anutin Charnvirakul to be the Thai prime minister in the period of this time **but chose** People’s Party to be just only the opposition!”

So,

Did you agree with Me “There is no honour among thieves!”?
