

There is no honour among thieves! (9)

(4 June 2025)

From around 1 June 2025 to 3 June 2025, I heard the voice of prostitute princess Ubolratana Rajakanya “You have lived your lives with one another for so long. Why did you **just** have a baby?” 2 times.

Since 2 June 2025, Almighty or Allah has told Me “Angie. Empress Masako had sex with a man who **is not** emperor Naruhito to conceive princess Toshi!”

Since 3 June 2025, Almighty or Allah has told Me “Angie. Emperor Naruhito is **sterile**. But he does not tell this truth to anyone as he is afraid that he would be fired out of the position!”

As of lately, Almighty or Allah has told Me “Crown prince Naruhito married lady Masako because lady Masako is **good-looking** and has **an excellent profile**. So, the crown prince thinks “Masako is **the most appropriate** woman for me!”” And “The Japanese royal family reported “Crown prince Naruhito had requested lady Masako to marry him many, many times before lady Masako would agree to marry him” But in reality, lady Masako **fast** agreed to marry crown prince Naruhito. The Japanese royal family reported like that to help **the images** of crown princess Masako and the royal family **to be good!**”

On 4 June 2025 at around 8:00 am, while I was noting the truths of empress Masako which Almighty or Allah told Me, on a paper, Almighty or Allah told Me **a thought of empress Masako** “ทำไมถึงบอกเรื่องของฉัน?” or can be translated in The English Language “**Why did you tell Angie the truth of mine?**” Then, Almighty or Allah told Me **a thought of all members of the satanic Chakri dynasty by the voice of prostitute princess Ubolratana Rajakanya** “เธอคิดจะเอาตัวรอด ... เรารู้นะ!” or can be translated in The English Language “**You have thought to manage to survive ... We knew!**”

On 4 June 2025 at around 11:47 am, **after I had posted the topic “A complicated plan (3)” (4 June 2025), I heard the voice of prostitute princess Ubolratana Rajakanya. She said in a bad mood** “ฉันกำลังสนุกกับการได้บอกเรื่องของมาซาโกะ!” or can be translated in The English Language “**I am having fun telling the truths of empress Masako!**”

I would like to underline the truths again: More than several times, I heard **the voice of prostitute princess Ubolratana Rajakanya** “ราชวงศ์อื่นก็กะหรี ไม่ใช่ราชวงศ์เรากะหรีราชวงศ์เดียว” or can be translated in The English Language **“The prostitute dynasty is not only our dynasty but other dynasties also!”** And more than several times too, I heard **the voice of prostitute princess Ubolratana Rajakanya** “ราชวงศ์อื่นก็เน่า ไม่ใช่ราชวงศ์เราเน่าอยู่ราชวงศ์เดียว” or can be translated in The English Language **“The dynasty that is “decay inside” is not only our dynasty but other dynasties also!”**

😊😊 Did you agree with Me “There is no honour among thieves!”? 😊😊

Note

Think twice: Are people who are the leaders to entice other people to commit a crime and/or a felony **nice or wicked**? And people who are the leaders to entice other people to offend a sin and/or a mortal sin **moral or immoral**? **So, can you trust them?** ...

😊😊 ... **And once again: “There is no honour among thieves!”** ... 😊😊
