They all really knew themselves!

(9 November 2026)

(Please read It All.)

Almighty or Allah was allowed to tell Me **by allowance from Nattha Ad-harn, nickname Tom, the only one daughter of Ratchaneewan Ad-harn and Pongthep Ad-harn**, on 9 November 2026 at around 4:00 pm;

"Angie, tell everyone the truths which I told You today in the late morning;

"Angie. Starters who have enticed people all over The World to continue running the devil's dirty plan are people from **Buddhist countries** such as Thailand, South Korea, and Japan. So, the starters really knew "Buddha teaches Buddhists "3 Gems of Buddhism are: (1) Do not do badness (2) Do goodness. And **(3) Purify your mind**"" So that, the starters really knew "We are sentenced in Hell and Fire **by our minds, not by numbers of our deeds**" But Angie. ***Why*** they thought "Before we will be sentenced in Hell and Fire, we must offend a large number of sins and a huge number of mortal sins before"? And ***why*** they have done as the thought like a life sarcastic?

Angie. **It is because each of them really knew himself "I am so very much satanic" And "Because my mind is so very much satanic, so although I did not continue offending any sins and any mortal sins anymore, I am going to Hell and Fire anyway. Thus, I must offend a large number of sins and a huge number of mortal sins before!"**

Angie, to help everyone to more understand, emphasize the truth I have told You more than several times;

Angie, I told You the thought of all the Thai people which they thought at the time they planned to continue the plan at the end of November 1999 "**คนแบบเรา**มีอยู่ทุกที่แหละ!" or can be translated in The English Language "**People like us** are at everywhere!" …

… Therefore, Angie, tell everyone **"They all really knew themselves how satanic they are!""**
