

They changed My Documents!

(3 November 2025)

(Please read them all.)

I would like you to know that pimp king Bhumibol, prostitute queen Sirikit, pimp mha Vajiralongkorn, and the satanic Chakri dynasty have worked with Tim Cook, some wicked staff of Apple, and MakeWebEasy to **change** details in some of My Documents which I posted on My Website such as The Topic “Countries that work the plan” (3 April 2025). I knew because I had had a chance to read The Topic again. After I had read The Topic, I truly knew “Many parts of The Topic were changed!”. And The Father Almighty or Allah confirmed Me the truths earlier.

They not only have changed My Documents to blacken their targets to blacken but also have changed meanings of vocabularies in My dictionaries and have ordered The Father to control AI of Google to teach Me wrong The English Language not to see Me learn The English Language by Myself!

The Father told Me “Angie, I intended to let everyone see which country else is their targets to blacken, and how satanic, envious, cheat, tricky, excellent in deception, and excellent in blackening others they are before. When the right time comes, Your Real Documents will be restored!”
